# 1 Your Contract

## Everything you need to know about your policy

Your contract with us is made up of the following:

- > Your Membership Handbook
- > Your completed Application Form, whether completed by you or on your behalf (if applicable)
- > Your policy documentation, which sets out your plan, your membership number, your commencement date and your next renewal date
- > Your Table of Cover, which outlines the benefits in your plan and which List of Medical Facilities applies to your plan
- > The Schedule of Benefits, which sets out the treatments and procedures we cover
- > The Lists (explained below)
- > Terms of Business
- > Data Protection Statement

Health insurance policies are contracts between the insurer and the policyholder, because the policyholder (or in some cases their employer) is the person who has arranged and paid for the policy. However, the terms and conditions of this contract will apply to all plans and all claims made under the policy. Therefore where we refer to 'you' and 'your' throughout this Membership Handbook, we refer to both the policyholder and the member(s) listed on the policy. This also applies to members of group schemes. If you are a member of a group scheme where your employer has arranged your cover and is paying all or part of your premium, the Group Schemes section in this Membership Handbook will also apply to you.

You must ensure that the information that is provided to us when you are taking out a policy (whether in an application form or otherwise) is accurate and complete (even where the information is being provided to us by someone on your behalf). Otherwise it could mean we won't pay a claim under the policy and some or all of the members' plans under the policy may be cancelled. This may also cause difficulty should you wish to purchase health insurance elsewhere.

## Understanding your cover

Health insurance cover can be difficult to understand so to help you check your cover we have set out a checklist below. We understand that it may be difficult for you to figure out whether you are covered yourself so if you're in any way unsure, please call us on 01 562 5100 and we'll walk you through it. In fact we would always advise you to check your cover with us before undergoing any procedure or treatment or being admitted to a medical facility. When checking your cover with us you will need to tell us where you intend to have the procedure or treatment performed; the name of your health care provider and the procedure/treatment code. You can get this information from your health care provider.

The checklists below explain what to look for to see if you are covered under your Day-to-day Benefits, Out-patient Benefits or In-patient Benefits. You will notice that some of your benefits will be classed as Maternity Benefits or Other Benefits on your Table of Cover. Some of these benefits are claimed as Out-patient Benefits or In-patient Benefits and the checklists below will apply to these.

## Day-To-Day Benefits and Out-patient Benefits

What to look for	Where to check
<ul style="list-style-type: none"> <li>&gt; Is the benefit covered under your plan?</li> <li>&gt; How much will we pay?</li> <li>&gt; Is there an excess?</li> </ul>	Your Table of Cover
<ul style="list-style-type: none"> <li>&gt; What terms and conditions apply to the benefit?</li> <li>&gt; Does a waiting period apply?</li> <li>&gt; How can you claim?</li> </ul>	Your Membership Handbook
<ul style="list-style-type: none"> <li>&gt; What does the benefit cover?</li> <li>&gt; Are there any further criteria?</li> </ul>	The Lists (if applicable)

## In-patient Benefits

What to look for	Where to check
<ul style="list-style-type: none"> <li>&gt; Is the treatment or procedure an established treatment?</li> <li>&gt; Is the treatment or procedure medically necessary?</li> <li>&gt; Is your health care provider registered with Irish Life Health and a participating health care provider?</li> <li>&gt; Will you be admitted to a medical facility and if so which one?</li> <li>&gt; If not, where will you be having your procedure or treatment performed?</li> </ul>	Your health care provider
<ul style="list-style-type: none"> <li>&gt; Is your treatment or procedure covered (is it listed in the Schedule of Benefits)?</li> <li>&gt; Do any clinical indicators apply and do you meet them?</li> <li>&gt; Does your treatment or procedure need to be pre-authorised?</li> <li>&gt; Is your treatment or procedure covered when it is carried out by the type of health care provider you are attending (i.e. is it covered when carried out by a GP, dentist, oral surgeon, periodontist)?</li> <li>&gt; If your treatment or procedure is not going to be performed in a hospital or treatment centre, is it covered when it is carried out in your health care provider's rooms?</li> </ul>	The Schedule of Benefits or your health care provider
<ul style="list-style-type: none"> <li>&gt; Which List of Medical Facilities applies to you?</li> <li>&gt; What's your level of cover? i.e. Do you need to pay an excess, shortfall or co-payment?</li> </ul>	Table of Cover
<ul style="list-style-type: none"> <li>&gt; If you are being admitted to a medical facility, is it included in the Lists of Medical Facilities covered under your plan?</li> <li>&gt; Does a waiting period apply?</li> <li>&gt; How can you claim?</li> <li>&gt; Are there any further criteria?</li> </ul>	Your Membership Handbook

As you can see, you will need to take many factors into account to see whether your health expenses are covered. Below is a short explanation of the contractual documents and other factors that you need to take into account to see if you are covered.

## Membership Handbook

This document:

- > will help guide **you** through **your** health insurance cover
- > explains the general terms and conditions of **your** contract with **us**
- > explains all **our benefits** including the terms and conditions which apply to each (but please note that all these **benefits** may not be available on **your plan**)
- > sets out the things that are not covered under **your plan**
- > explains how to make a **claim**

Section 12 of this Membership Handbook contains tables which show the **medical facilities** that are covered under **our plans**. They also show if **we** pay them directly (known as **direct settlement**) or if **you** need to pay them yourself and **claim** this back from **us**. **You** will be covered for the **medical facilities** specified in one of four lists shown in the tables (**your** "List of Medical Facilities"). **Your** Table of Cover shows which List of Medical Facilities applies to **you**.

### Table of Cover

**Your** Table of Cover sets out the **benefits** that are available under **your plan**.

### The Schedule of Benefits

The Schedule of Benefits is sectioned by specialty and sets out the **treatments** and **procedures we** cover and which of these need to be **pre-authorised**. It shows the **clinical indicators** that must be present in order for a **procedure** or **treatment** to be covered. It also specifies that certain **treatments** and **procedures** will only be covered if they are performed by a certain type of **health care provider** or if they are performed in a certain place (**i.e.** in a hospital).

The **GP** section sets out the **procedures** and **treatments** that **we** will cover when they are carried out by **your GP** in their surgery. It also shows which of these **procedures** and **treatments** require **pre-authorisation** and sets out any **clinical indicators** that apply.

These documents contain medical language which is really designed to be read by doctors and **consultants**. For this reason, **we** would advise **you** to contact **us** or **your health care provider** before undergoing **your procedure** or **treatment** to confirm whether it will be covered by **us**. The Schedule of Benefits can be accessed on **our** website at [www.irishlifehealth.ie/privacy-and-legal/schedule-of-benefits](http://www.irishlifehealth.ie/privacy-and-legal/schedule-of-benefits) or a hard copy can be requested from **us**.

### The Lists

These Lists show what is covered under certain **benefits** and in some cases contain criteria which must be satisfied before the **benefit** will apply. **We** will let **you** know throughout this Membership Handbook or in **your** Table of Cover when it is necessary to refer to a List in connection with a **benefit**. The Lists are available on **our** website [www.irishlifehealth.ie/privacy-and-legal/schedule-of-benefits](http://www.irishlifehealth.ie/privacy-and-legal/schedule-of-benefits). The following is a brief explanation of each of the Lists:

#### 1. The List of Special Procedures

This confirms which **procedures** are covered under the Listed Special Procedures **benefit**. See section 2.2 of this Membership Handbook for further information on this **benefit**.

#### 2. The List of Cardiac Procedures

This confirms which **procedures** are covered under the Listed Cardiac Procedures **benefit**. See section 2.2 of this Membership Handbook for further information on this **benefit**.

#### 3. The List of Post-Operative Home Help (POHH) Procedures

The post-operative home help **benefit** is only available following certain **procedures**. These are set out in the List of Post-Operative Home Help (POHH) Procedures.

#### 4. The List of Medical and Surgical Appliances

This list confirms the medical and surgical appliances for which **you** can **claim** a contribution from **us** under the medical and surgical appliances **benefit**. It also sets out the contribution that can be **claimed** for each appliance.

#### 5. The List of Orthopaedic Procedures Subject to Co-Payment

This list specifies the orthopaedic **procedures** where a co-payment applies when such **procedures** are carried out in a **private** or high-tech hospital.

#### 6. The List of Cardiac Procedures Subject to Co-Payment

This list specifies the cardiac **procedures** where a co-payment applies when such **procedures** are carried out in a **private** or high-tech hospital.

#### 7. The List of Clinical Indicators for Cardiac MRI and Cardiac CT Scans

This list sets out the **clinical indicators** that must be satisfied for cardiac MRI and cardiac CT scans.

#### 8. The List of Gender Reassignment Procedures

This list confirms which **procedures** are covered under the gender reassignment benefit.

#### 9. List of Provider Partners

This list confirms the provider partners for which **you** can claim a **benefit**, discount from or contribution from **us** under certain **benefits**.

### Ground rules

**We** will only cover the costs of **medical care** which **our medical advisers** believe is an **established treatment** which is **medically necessary**. In addition **we** only cover **reasonable and customary costs**.

### Clinical indicators

In some cases medical criteria known as **clinical indicators** need to be satisfied before **our medical advisers** will consider the **treatment** or **procedure** to be **medically necessary**. If **clinical indicators** apply, they will be set out alongside the **procedure** or **treatment** in the Schedule of Benefits or in the List of Clinical Indicators for Cardiac MRI and Cardiac CT Scans.

### Pre-authorisation

Certain **procedures** and **treatments** are not covered unless they are approved in advance by **us**. Approval is only given where the **procedure** or **treatment** meets specific **clinical indicators** or **we** determine that it will result in a reasonably favourable medical prognosis. If **your treatment** or **procedure** needs to be **pre-authorised**, this will be specified in the Schedule of Benefits. To apply for **pre-authorisation**, **your health care provider** must submit a request in writing to **Irish Life Health** in order for **your claim** to be considered. **We** will assess **your** request as soon as possible but in any case within 15 working days.

## Your health care provider

In most cases **your treatment or procedure** will be carried out by **your consultant** but there are some **treatments and procedures** listed in the Schedule of Benefits which can be performed by **your GP, dentist, oral surgeon or periodontist**. The professional fees of health professionals can be covered as an In-patient Benefit, an Out-patient Benefit or a Day-to-day Benefit depending on type of care **you** receive.

Generally when **you** receive a **procedure or treatment** that is listed in the Schedule of Benefits, **your health care provider's** fees will be covered under **your** In-patient Benefits. **We** fully cover **health care providers** who are registered with **us** and have agreed to accept payment from **us** in full settlement of their professional fees (i.e. a participating **health care provider**). **You** will have to pay most, or all, of **your health care provider's** fees yourself if they are not registered with **us** or are not participating. Please see section 2.2 of this Membership Handbook for a full explanation about how **your health care provider's** professional fees are covered under **your** In-patient Benefits.

Generally an **out-patient** consultation with a **consultant** or a visit to **your GP or dentist** will be covered as a Day-to-day Benefit or an Out-patient Benefit. In these circumstances it doesn't matter if **your consultant/GP/dentist** is registered with Irish Life Health or is participating. Day-to-day Benefits and Out-patient Benefits usually allow **you** to **claim** a contribution from **us** towards a certain number of visits to **your consultant/GP/dentist** in **your policy year**. If these **benefits** are available under **your plan**, the amount **you** can **claim** back per visit and the number of visits for which **you** can **claim** will be shown in **your** Table of Cover.

## Waiting periods

**Your** medical expenses will not be covered until after **your** waiting periods have expired. Waiting periods are explained in section 6 of this Membership Handbook.

## Excess/Shortfall/Co-payment

**You** will need to pay any **excess**, shortfall or co-payment that applies to a **benefit** or a group of **benefits** under **your plan**. **You** can't **claim** these expenses back from **us**. **You** can see if an **excess**, shortfall or co-payment applies by checking **your** Table of Cover. See sections 2.1 and 2.2 of this Membership Handbook for more information on **excesses**, shortfalls and co-payments.

## Understanding changes to your cover

### 1. Changes to **your plan** on renewal

From time to time **we** alter the **benefits** available under **our plans**. If **we** alter the **plan** that **you** are on, the **benefit** changes will not affect **you** during **your policy year** but will apply if **you** purchase that **plan** at **your** next renewal. Therefore, it is important to remember that where **you** renew on the same **plan** the **benefits** may not be the same as they were in **your** previous **policy year**.

### 2. Changes to **your cover** throughout **your policy year**

In some cases the cover that is available under **your plan** may change throughout **your policy year** for the following reasons:

#### Changes to the Schedule of Benefits

**We** review and where necessary amend the Schedule of

Benefits regularly to update the **procedures** and **treatments** that are covered by **us** and the **clinical indicators**, conditions of payment and/or payment indicators that apply to **procedures** and **treatments**. These changes may become effective during **your policy year**. **You** can find the most current versions of these on **our** website or call **us** on 01 562 5100 to check cover.

#### Changes to the Lists of Medical Facilities

**We** may add **medical facilities** to the Lists of Medical Facilities from time to time. **We** may also need to remove **medical facilities** from the Lists of Medical Facilities if **our** arrangement with those **medical facilities** ends. The **medical facilities** which will be paid directly by **us** may also change from time to time. See section 2.2 of this Membership Handbook for further details. **You** can find the most current versions of these lists on **our** website or call **us** on 01 562 5100 to check cover.

#### Changes to The Lists

**We** may need to make changes to the Lists from time to time to update the **procedures**, **treatments** and appliances that are covered under certain **benefits** and review the **clinical indicators**, conditions of payment and/or payment indicators that are applied to them. **You** can find the most current versions of these on **our** website or call **us** on 01 562 5100 to check cover.

#### Changes to the status of health care provider

**Your health care provider's** status with **us** (i.e. whether they are registered and are a participating **health care provider**) may change from time to time. This means that the amount of their professional fees that **we** will cover may change throughout **your policy year**. **You** can check whether **your health care provider** is registered with Irish Life Health and whether they are a participating **health care provider** by contacting **us** on 01 562 5100. Please see section 2.2 of this Membership Handbook for further information on how **your health care provider's** status affects how their fees are covered.

#### Changes to benefits provided by provider partners

Provider partner benefits may change or cease during the **policy year** and such changes are outside of **our** control.

#### Changes required by law

In the event that **we** are legally required to make changes to any of **our** contracts, **policies** or **plans**, such changes shall effect **your plan** immediately.

The changes described above are automatically applied to all **our plans** as soon as they occur. **You** and the **members** named on **your policy** should always check the most recent Schedule of Benefits, The List of Medical Facilities and Lists, and check whether **your health care provider** is registered with **us** and whether they are participating before undergoing any **procedure** or **treatment**, or being admitted to a **medical facility**. **You** can do this yourself by checking the most up to date information on **our** website or **you** can call **us** and **we** will check this for **you**.

## Acknowledgment

By entering this **policy you** are acknowledging that **you** have read this Membership Handbook and understand **your cover**. In particular, **you** are confirming that **you** understand the contractual documents that make up **your** contract with **us** and that **your cover** may change throughout **your policy year**.

## 2 Your Cover & How to Claim

The **benefits** available under **your plan** are shown in **your Table of Cover**. They are divided into different sections mainly due to how they are **claimed** or the type of expenses covered.

The following sections of this Membership Handbook explain the different types of **benefits** offered by **us**. Within each section is a table which lists **our benefits**, shows the terms and conditions that apply to each **benefit**, and tells **you** how to **claim** it.

Please note that all these **benefits** may not be available under **your plan**. You should check **your Table of Cover** to see which **benefits** apply to **you** and how much **you** can **claim** under each **benefit**. You will also be able to see on **your Table of Cover** if an **excess**, shortfall or co-payment applies.

How **our benefits** are categorised can change on different **plans**, so **you** may notice that some of **your benefits** appear in different sections in this Membership Handbook and on

**your Table of Cover**. If a **benefit** listed in **your Table of Cover** is not explained in the corresponding table in this Membership Handbook, please check the tables in other sections of this Membership Handbook. The terms and conditions that apply to **our benefits** (as described in the tables below) will always apply even if the **benefit** is positioned in a different section of **your Table of Cover**.

If a day-to-day **excess** or an **out-patient excess** applies to **your plan**, this will always affect all the **benefits** included in those sections of **your Table of Cover**. It doesn't matter if one or more of **your Day-to-day Benefits** or **Out-patient Benefits** appear in a different section in this Membership Handbook.

**You** will always be covered to the level of cover set out in the **Minimum Benefit Regulations** for the medical services listed in those regulations (subject to any waiting periods). Please see section 6 and the Definitions section of this Membership Handbook for an explanation of the **Minimum Benefit Regulations**. **We** will always deduct any withholding tax or other deductions required by law before paying **your claim**.

### 2.1 Day-to-Day and Out-patient Benefits

These **benefits** typically allow **you** to **claim** a contribution from **us** towards visits to certain medical practitioners or for certain medical services. The amounts that can be claimed and frequency or number of **visits** they apply to are set out in **your Table of Cover**. Where contributions are listed as a single amount, they are claimable once per **policy year** unless otherwise stated. Please see the "How to calculate **your** cover under **your** Day-To-Day Benefits and Out-patient Benefits" section below for details on how **you** may be covered under these benefits. **You** can claim these benefits for medical services received in Ireland or when **you** are abroad.

Day-to-day Benefits are not included on all **plans**. If they are not covered on **your plan** and **you** wish to add day-to-day cover to **your plan**, please call **our** customer service team on 01 562 5100 to see what options are available to **you**.

There may be instances where **benefits** in the Out-patient and Day-to-day sections apply to the same medical expenses. In this instance when claiming online, please check **your Table of Cover** to choose the section **you** wish to **claim** under. **You** cannot **claim** for the same medical expenses twice.

\*\* The provider partners named under these benefits may change from time to time. Provider partner benefits may change or cease during the policy year and such changes are outside of **our** control. **We** are not responsible for the content of the websites of these provider partners.

## How to calculate your cover under your day-to-day benefits and out-patient benefits

The amount that can be **claimed** under these **benefits** may be a set amount per visit or it may be a percentage of the cost of the visit up to a maximum amount per visit or per **policy year**. There may be a limit to the number of times in **your policy year** that **you** can **claim** a refund for a visit to a particular medical practitioner or for a particular service. In addition the number of refunds that **you** can **claim** for specified practitioners collectively may be limited (this is known as “combined visits”). Please note that there may be a limit on the total amount that **we** will pay for Day-to-day Benefits or Out-patient Benefits in a **policy year**. This limit will apply before the deduction of any applicable **policy excess**.

In addition an **excess** may apply to the total amount **you claim** under **your** Day-to-day Benefits or Out-patient Benefits in **your policy year**. So for example, where an **excess** applies to the Out-patient Benefits under **your plan**, it applies to the total amount **you** are claiming for all **your** Out-patient Benefits in **your policy year**. When **you** submit **your** receipts to **us** **we** will calculate the total amount due to be refunded to **you** under all **your** Out-patient Benefits, subtract the **excess** and refund **you** the balance.

### For example:

	Example 1	Example 2
Cover shown on Table of Cover	€60 x 2 consultant visits	75% x 5 consultant visits
Number of times <b>you</b> visited <b>your consultant</b> in <b>your policy year</b> and how much <b>you</b> paid per visit	2 x €100	5 x €100
Total amount that <b>you</b> can <b>claim</b> (the number of times <b>you</b> visited a <b>consultant</b> multiplied by the maximum amount that can be claimed per visit)	2 x €60 = €120	5 x €75 = €375
Less outpatient <b>excess</b>	€150	€200
Money <b>we</b> pay <b>you</b> back	€0	€175

## 2.2 In-patient Benefits

In-patient Benefits typically cover the fees charged by **your** hospital, **treatment centre** and **health care provider** whilst **you** are admitted to a hospital or **treatment centre** covered under **your plan** as an **in-patient** or **day case** patient.

### Hospital costs

The fees charged by **your** hospital or **treatment centre** for **your medical care** whilst **you** are admitted are known as **hospital costs**. They include the **public hospital levy**, hospital accommodation costs, charges for the use of the operating theatres, charges for radiology and pathology, nursing charges, costs of prosthesis and charges for drugs administered for consumption whilst **you** are admitted. **You** can find the level of cover available for **your hospital costs** in a **public hospital**, **private hospital** and high-tech hospital in **your** Table of Cover (see section entitled “Hospital Cover”). **You** can check whether **your** hospital is public, private or high-tech in the tables of **medical facilities** in section 12 of this Membership Handbook. Please note that some hospitals may be classed as a high-tech hospital for **Level 1 plans** and a **private hospital** for all other **plans**. **Treatment centres** are classed as private hospitals in terms of **your** level of cover. Any excess specified on **your** Table of Cover in respect of private hospital cover will not apply to **treatment centres** but any shortfalls specified will.

### Medical facilities covered under your plan

The **medical facilities** covered under **your plan** are shown in **your** List of Medical Facilities. There are four of these lists but only one will apply to **your plan**. **You** can see which one applies to **you** in **your** Table of Cover. All the Lists of Medical Facilities are contained in the tables of **medical facilities** in section 12 of this Membership Handbook.

Where **you** are admitted to a **medical facility** covered under **your plan** and where it is **medically necessary**, **your hospital costs** will be fully covered subject to any limitations specified in **your** Table of Cover, such as **excesses** (subject to exceptions as outlined under In-patient or Day Case excess section below), shortfalls, co-payments, **private rooms** covered at semi-private rates etc. Where necessary, **we** have agreements with **medical facilities** to ensure that this is the case. However, **medical facilities** are free to end their arrangement with **us** at any time so **we** cannot guarantee that this will continue to be the case for all the **medical facilities** covered under **your plan** throughout **your policy year**. Where this arrangement between **us** and a **medical facility** ends, the **medical facility** will no longer be covered by **us** and it will be removed from all the Lists of Medical Facilities. Similarly where **we** enter into new arrangements with **medical facilities**, they will be added to one or more of the Lists of Medical Facilities. Such changes will affect **your plan** immediately. Up to date Lists of Medical Facilities are available on **our** website at [www.irishlifehealth.ie](http://www.irishlifehealth.ie). **We** recommend that **you** always check whether **your medical facility** is covered before being admitted by reviewing **your** List of Medical Facilities on **our** website or contacting **our** call centre on 01 562 5100.

### Medical facilities not covered on your plan

**We** will not cover **your hospital costs** in a **medical facility** which is not covered in **your** List of Medical Facilities.

We have made every effort to ensure that all health services that are listed in the **Minimum Benefit Regulations** ("Prescribed Health Services") are available through at least one of the **medical facilities** covered in **your** List of Medical Facilities. In the unlikely event that a Prescribed Health Service is not available in one of those **medical facilities**, we will cover the Prescribed Health Service in a **medical facility** that is not covered in **your** List of Medical Facilities as if it was covered under **your plan** (i.e. to the level of cover available under **your** In-patient Benefits). However, **you** must notify **us** in advance that **you** wish to receive such medical services in a **medical facility** that is not covered under **your plan**. Please note that **we** will not cover **you** if **you** receive health services (other than **emergency care**), which are not listed in the **Minimum Benefit Regulations**, in a **medical facility** which is not covered under **your plan**.

We will cover **your stay** in a **public hospital** that is not covered under **your** List of Medical Facilities whilst **you** are receiving **emergency care**, provided the **public hospital** is listed on one of the Lists of Medical Facilities covered by **Irish Life Health**. **You** must have been admitted through the **accident** and emergency department. Any **follow on care** and/or **elective treatments** or **procedures** will only be covered in a **medical facility** which is covered under **your plan**. The only exception to this is if **our medical advisers** agree that **you** are not medically fit to travel, in which case **we** will cover **your hospital costs** in the same **public hospital** but this will need to be **pre-authorised** by **us**.

### How long are your hospital costs covered for?

**You** can **claim hospital costs** under **your** In-patient Benefits for a total of 180 days in a calendar year (the "Maximum Period"). This Maximum Period includes the number of days for which **you** can **claim hospital costs** as a psychiatric patient. The number of days that **you** can **claim** as a psychiatric patient is shown in the psychiatric **treatment benefits** in **your** Table of Cover.

Please note that the Maximum Period includes any days for which **you** have already **claimed hospital costs** (including **hospital costs** as a psychiatric patient) under another **plan** with **us** or with another health insurer in a calendar year.

### Your health care provider's fees

#### Consultants

**Your** in-patient benefit for consultant's fees covers the professional fees of **consultants** who are registered with **Irish Life Health**, where they provide **you** with the **treatments** and **procedures** listed in the Schedule of Benefits. **Your consultant's** fees will only be covered where **your procedure** or **treatment** is performed in a **medical facility** covered under **your plan**. However, there is a small number of **treatments** and **procedures** which will be covered when they are performed in **your consultant's** room. These are set out in the "non-hospital" section of the Schedule of Benefits.

#### Consultants registered with Irish Life Health

We will only cover **consultants** who are registered with **Irish Life Health**. Where **your consultant** is registered with **us**, the extent to which their professional fees are covered will depend on whether they have chosen to be a participating consultant or standard rate **consultant**.

- **Participating consultants**  
Participating **consultants** have agreed to accept payment from **us** in full settlement of their fees for performing the **procedures** and **treatments** in the Schedule of Benefits. This means that if **your consultant** is a participating **consultant**, **you** will be fully covered for the **procedures** and **treatments** listed in the Schedule of Benefits provided the **consultant** is operating within the rules imposed by the HSE relating to his capacity to practice privately.
- **Standard rate consultants**  
Standard rate **consultants** (or part participating **consultants**) have not agreed to accept payment from **us** in full settlement of their fees. Only a small portion of the fees of standard rate **consultants** will be covered for performing the **procedures** and **treatments** in the Schedule of Benefits. Therefore, if **your consultant** is a standard rate **consultant** **you** will have to pay a large portion of their fees **yourself**. **You** will not be able to **claim** this back from **us**.

#### Consultants not registered with Irish Life Health

Where **your consultant** is not registered with **Irish Life Health** **we** will not cover their professional fees. The only exception to this is if **your consultant's** fees for performing **your treatment** or **procedure** are included in the **Minimum Benefit Regulations**. If they are, **you** can **claim** the amount set out in the **Minimum Benefit Regulations** back from **us** at the end of **your policy year**. It's important **you** know **your consultant's** fees are likely to be a lot more than the amount shown in the **Minimum Benefit Regulations**. If this happens, **you'll** have to pay the difference.

#### Dentists/Oral surgeons/Periodontists

**Your** in-patient benefit for consultant's fees also covers a limited number of dental/oral **surgical procedures** where they are performed by a **dentist**, **oral surgeon** or **periodontist**. (This excludes dental visits and emergency dental care which are covered under **our** Day-to-day Benefits and Out-patient Benefits).

The dental/oral **surgical procedures** that are covered under **our** In-patient Benefits are listed in the "Periodontal/Oral/Dental Surgery Ground Rules" section of the Schedule of Benefits. These **procedures** will only be covered where they are performed by the specified type of dental practitioner (i.e. a **dentist**, **oral surgeon** or **periodontist**). Please note many dental/oral **surgical procedures** require **pre-authorisation**. **Your dentist/oral surgeon/periodontist's** fees will only be covered where **your oral/dental surgery** is performed in a **medical facility** covered under **your plan** or in **your dentist/oral surgeon/periodontist's** room.

As with **your consultant**, **your dentist**, **oral surgeon** or **periodontist** must be registered with **Irish Life Health**. If they are not registered with **us**, **you** will not be covered (subject to cover prescribed under the **Minimum Benefit Regulations** if applicable). The extent to which **your oral surgeon/periodontist's** professional fees are covered will also depend on whether they have chosen to be a participating or a standard rate **oral surgeon/periodontist**. See the **consultant** section above for a full explanation on how **your oral health care provider's** status as participating or standard rate affects **your** cover. Please note that all **dentists** are classed as standard rate so **we** will only cover a limited portion of **your dentist's** fees for performing oral/dental surgery.

## GPs

We will cover **your GPs** fees for performing a limited number of **treatments and procedures** in their surgery. Such **procedures** and **treatments** are covered under **your** in-patient benefit for consultant's fees. **Your GP's** fees for a routine visit will be covered under **our** Day-to-day Benefits or Out-patient Benefits. The **treatments and procedures** that will be covered under **your** In-patient Benefits are set out in the **GP** section of the Schedule of Benefits. If **your treatment or procedure** is not listed in the **GP** section, **your GP's** fees will not be covered. As with **consultants** and dental professionals, **your GP** must be registered with **Irish Life Health** before they will be covered and the extent to which their fees are covered will depend on whether they are a participating **GP** or a standard rate **GP**. Please see previous sections for a full explanation on the effect of **your health care provider** not being registered with **Irish Life Health** and not participating with **Irish Life Health**.

## Changes to the status of your health care provider

**Health care providers** are free to alter their arrangement with **Irish Life Health** at any time. Therefore, by way of example, a participating **health care provider** may choose to become standard rate or to unregister with **us** at any time. Any changes to their status with **us** will affect how they are covered immediately. Therefore the level to which their fees are covered may change throughout **your policy year**. We recommend that **you** always check whether **your health care provider** is registered with **Irish Life Health** and whether they are participating or standard rate before undergoing any **procedure** or **treatment** or being admitted to a **medical facility**. **You** can do this by visiting **our** website or contacting **our** call centre on 01 562 5100.

## Maternity treatment

In-patient benefits do not apply where **you** are admitted to a **medical facility** for the delivery of **your** baby (except for caesarean section deliveries). Whilst **you** are admitted for the delivery of **your** baby, **you** are a maternity patient and **your** Maternity Benefits apply. The level of cover available to **you** for **your** maternity care is set out in **your** Maternity Benefits on **your** Table of Cover. Where **your** maternity care ends, but **you** remain admitted for any **medically necessary** reason, **your** In-patient Benefits will apply and **you** will receive the level of cover available under the In-patient Benefits on **your** Table of Cover.

## Psychiatric treatment

Where **you** are admitted to a psychiatric **medical facility** or a psychiatric unit in a **medical facility**, **your hospital costs** and **consultant's** fees will be covered under **your** In-patient Benefits at the level shown in the Hospital Cover section of **your** Table of Cover. **Your plan** will also include psychiatric **treatment benefits**. These **benefits** specify the maximum number of days for which **you** can **claim your** In-patient Benefits whilst **you** are a psychiatric patient for **medically necessary treatment**.

## How In-patient Benefits are claimed

In most cases, **we'll** pay the amount for which **you** are covered under **your** In-patient Benefits directly to **your medical facility** and **health care providers**. They **claim** the amount for which

**you** are covered from **Irish Life Health** on **your** behalf and **we** pay this to them directly. This is known as **direct settlement**. Please note that only the amount for which **you** are covered will be directly settled with **your medical facility** and **health care provider**.

**Direct settlement** applies to all **claims** for professional fees for **health care providers** that are registered with **us**. **We** will not directly settle any **claims** for the amounts shown in the **Minimum Benefit Regulations** for **health care providers** that are not registered with **us**. **Your** List of Medical Facilities shows the **medical facilities** that **we** will pay through **direct settlement**. Whether **direct settlement** is available for a particular **medical facility** may change from time to time. **You** should always check the most up to date Lists of Medical Facilities before being admitted to any **medical facility** to see whether **direct settlement** applies or whether **you** will have to pay the **medical facility** and **claim** it back from **us**.

Where **direct settlement** applies, **your medical facility** or **health care provider** will submit **your** claim form to **us** on **your** behalf. It is important to remember that they are only making the **claim** on **your** behalf and that **you** are responsible for ensuring that all aspects of the **claim** are correct. If **your** claim form contains any inaccurate information, **we** may treat **your claim** as fraudulent, decline the **claim** and possibly cancel **your plan** or **policy** (see section 7 of this Membership Handbook for further information on **our** fraud policy). **You** will need to sign **your** claim form before **your medical facility** or **health care provider** submits it to **us**. **Your medical facility** and **health care providers** should always specify the **medical care** you received on **your** claim form before **you** are asked to sign it. **You** should check this information very carefully to ensure that it is accurate. By signing this form **you** are confirming that **you** have received the **medical care** specified in the form and that all information contained in **your** claim form is true and accurate. When **we've** paid **your claims**, **we'll** send **you** a statement confirming payment and outlining the amounts paid on **your** behalf.

Where **direct settlement** is not available, **you** will have to pay **your medical facility** and **your health care provider** yourself and **claim** the amount that is covered back from **us**. **You** will need to submit a **claim** form to **us** specifying the **medical care** you received which is signed by all relevant **health care providers** and **your medical facility** together with all **your** receipts. **Your medical facility** and **health care providers** will be able to provide these for **you**. The completed claim form and receipts should be sent to **our claims** team (see section 10 of this Membership Handbook).

## Please note we reserve the right to:

- > refuse payment in respect of In-patient Benefits where **you** stayed in a **medical facility** overnight but **our medical advisers** determine that **you** should have been a **day case**.
- > refuse payment in respect of day-case **benefits** where **our medical advisers** have determined that **you** should have been an **out-patient**.
- > only pay the amount that would have been covered, if **your treatment or procedure** had been carried out in the manner deemed appropriate by **our medical advisers** and only where **treatment** was **medically necessary**.

## Shortfall

In some cases **your benefit** may not cover all **your** medical costs and **you** will need to pay a proportion of such costs **yourself**. This is known as a shortfall. For instance, if **your hospital costs** are subject to 90% cover, **you** will be required to pay the remaining 10% **yourself**. **You** can see if a shortfall applies and if so, how much it is, in **your** Table of Cover.

## In-patient or day case excess

In some cases **you** may be required to pay an amount of **your** bill before **your** cover begins. This is known as an **excess**. **You** can see if **you** have an **excess** on **your** In-patient Benefits in **your** Table of Cover. **Excesses** on In-patient Benefits apply each time **you** are admitted to a **medical facility** subject only to the following exceptions:

- > where **you** are admitted as an **in-patient** or **day case** patient for the purpose of receiving chemotherapy, the **in-patient excess** will only apply once for each course of **treatment**. Where it has been more than 12 months since **your** last chemotherapy session, **your** course of **treatment** will be considered to have ended and the **excess** will apply again for any further course of **treatment**.
- > where **you** are admitted as a **day case** patient for the purpose of receiving psychiatric **treatment** in a **medical facility**, the **day case excess** will only apply once for each course of **treatment** provided all days relevant to that course of **treatment** are submitted as a single **claim**. Where it has been more than 3 months since **your** last admission, **your** course of **treatment** will be considered to have ended and the **excess** will apply again for any further course of **treatment**.
- > where **your** Table of Cover states that an **in-patient** or **day case excess** is only payable on a certain number of admissions.
- > **We** will not apply the **in-patient excess** where **you** are admitted as an **in-patient** or **day case** patient for the purpose of receiving radiotherapy **treatment**.
- > **We** will not apply the **in-patient excess** where **you** are admitted as an **in-patient** or **day case** patient in the **treatment centres** covered in **your** List of Medical Facilities.

## Co-payment for certain procedures

A co-payment is a large **excess** and is an amount that must be paid by **you**. **You** will need to make a co-payment for any of the orthopaedic **procedures** specified in the List of Orthopaedic Procedures Subject to Co-Payment and/or for any of the cardiac **procedures** specified in the List of Cardiac Procedures Subject to Co-Payment where such orthopaedic and/or cardiac **procedures** are carried out in a high-tech or **private hospital**. Co-payments may apply in addition to any other shortfall or **excess** on **your plan**. This will be displayed on **your** Table of Cover.

## Colorectal cancer screening

Please note that In-patient Benefits only cover the costs of colorectal cancer screening (colonoscopy, FIT or CT colon) where **you** have:

- > a family history of polyposis coli;
- > a family history of hereditary non polyposis coli;
- > a **first degree relative** diagnosed with colorectal cancer before the age of 60 years; or
- > two **first degree relatives** who have been diagnosed with colorectal cancer.

Where **you** satisfy the above criteria, **your** colorectal cancer screening will be covered under **your** In-patient Benefits once every five years from when:

- > **you** reach the age of 40 years; or
- > **you** reach an age which is 10 years **younger** than the age at which **your first degree relative** was first diagnosed with colorectal cancer.

## Listed cardiac procedures and listed special procedures benefits

In most cases these **benefits** provide enhanced cover for **your hospital costs** in a high-tech hospital when **you** are undergoing the **procedures** specified in the List of Cardiac Procedures or the List of Special Procedures. This is because the **excesses** that apply to these **benefits** are generally lower than those that apply to **your** general **hospital costs** in a high-tech hospital. **You** can see if these **benefits** are available under **your plan** in the high-tech hospital section of **your** In-patient Benefits on **your** Table of Cover.

## 2.3 Maternity Benefits

Maternity Benefits can be categorised as In-patient Maternity Benefits, Out-patient Maternity Benefits and Other Maternity Benefits, depending on how they are **claimed**. In-patient Maternity Benefits cover **your hospital costs** and some of **your consultant's** fees when **you** are admitted to a **medical facility** covered under **your plan** as a maternity patient for the delivery of **your** baby. The costs of **your** pre and post natal care are not covered under **your** In-patient Maternity Benefits but may be covered under **your** Out-patient Benefits or Other Benefits.

## Elective Overseas Referrals

Our Elective Overseas Referral **benefits** cover some of the cost of having a **surgical procedure** performed abroad. We provide two **benefits** under our Elective Overseas Referral **benefits**; (A) 'benefit abroad for surgical procedures that are available in **Ireland**' and (B) 'benefit abroad for surgical procedures that are not available in **Ireland**'. The table below explains both our 'Elective Overseas Referral' **benefits** but **you** should check your Table of Cover to see if these **benefits** are covered under **your plan**.

All elective **medical care** received abroad must be **pre-authorised** by **Irish Life Health**. See the "How to Claim" section of the table below for details of how to have **your** elective overseas **medical care pre-authorised** by **us**.

Please note **you** will only be covered up to the amount **pre-authorised** by **us**. **Your** overseas **medical facility** and **health care providers** may charge more than this amount. If they do, **you** will be responsible for paying the balance. In addition **we** do not pay overseas medical facilities and **health care providers** directly. **You** will need to pay **your** entire bill to the **medical facility** and/or **health care providers** yourself. **You** can then **claim** the **pre-authorised** amount from **us** by submitting **your** receipts.

When **you** submit an **Irish Life Health** Overseas Pre-Approval Form to **us**, **our medical advisers** will decide whether the **surgical procedure** **you** require abroad is available in **Ireland**. This can require a complex medical assessment of the **treatments** and **procedures** **you** wish to receive abroad and the **treatments** and **procedures** available in **Ireland** to treat **your** condition. The decision of **our medical advisers** is final. In addition, their assessment is based entirely on the information **you** provide in advance of **your** undergoing **your procedure** (in **your Irish Life Health** Overseas Pre-Approval Form). The amount **pre-authorised** by **us** cannot be reassessed following **your treatment** regardless of whether the **treatment** **you** receive differs from that anticipated in **your Irish Life Health** Overseas Pre-Approval Form or otherwise.

If there are any unforeseen medical costs arising in relation to additional **medically necessary treatment** from the same episode of care, **we** will cover **you** for an amount up to the same amount of the costs that would have arisen and for which **you** would be covered for in **Ireland**.

Please note that the following conditions apply to Elective Overseas Referrals:

- > The **surgical procedure** must be performed within 31 days from when **you** leave **Ireland**;
- > **You** must have been referred for the **surgical procedure** abroad by a participating **consultant** in **Ireland** or through the International Second Opinion Service **benefit**, if applicable
- > The **surgical procedure** must be performed before **your pre-authorisation** expires. **Your pre-authorisation** will end either six months from when it is granted, or at the end of the **policy year**;
- > The **surgical procedure** must be **medically necessary** and **our medical advisers** must agree that the **surgical procedure** will result in a reasonably favourable medical prognosis;
- > The proposed **surgical procedure** **you** require abroad must be related to and have the same objective as a **procedure** or **treatment** that **you** are covered for in **Ireland**; and
- > The **surgical procedure** or, where the **surgical procedure** is not available in **Ireland**, the most similar **surgical procedure** available in **Ireland**, must not be controlled by a national register of waiting lists for **transplants** or other complex **procedures**.

**You** must have an Irish PPSN in order to **claim** any of the above **benefits**. If **you** do not have an Irish PPSN, **you** will not be covered for any medical or additional costs incurred while outside **Ireland** or the cost of repatriation to **Ireland**.

### How to claim

If **you** wish to **claim** either of these **benefits** **you** must have all **your medical care** abroad **pre-authorised** by **us**. To obtain **pre-authorisation** **you** will need to complete the **Irish Life Health** Overseas Pre-Approval Form which is available on **our** website. Part 2 of the **Irish Life Health** Overseas Pre-Approval Form must be completed by **your GP** or **Consultant**. Where **our medical advisers** deem it necessary, **you** may also be required to provide **us** with additional information including a detailed medical report from **your GP** or **Consultant** in **Ireland** and/or **your** treating **consultant** abroad.

We will assess **your pre-authorisation** request within 15 working days and confirm the amount for which **you** are covered. **You** will need to pay **your** overseas **medical facility** and **health care providers** directly for **your medical care**. **You** can then **claim** the amount **we** have **pre-authorised** back from **us** by submitting **your** original receipts to **us** in an envelope with **your** name, address and **membership number** (see section 10 for details of where to send **your** receipts). Unfortunately **we** are unable to return **your** original receipts to **you**, so **we** suggest that **you** keep a copy of **your** receipts for **your** records.

Please note that if **you** are a **group scheme member** **you** may not be able to make changes to **your plan** via the secure membership area of **our** website. Please see section 8 for further details on **group schemes**.

**You** may add **your** newborn to **your** policy without charge until the first renewal after his/her birth. The newborn must be added within 13 weeks of the date of birth or **waiting periods** will apply.

### Changing your policy

The **policyholder** can make changes to their **policy** or any of the **plans** listed on their **policy** at any time by logging onto the membership area on **our** website ([www.irishlifehealth.ie/members/manage-my-plan](http://www.irishlifehealth.ie/members/manage-my-plan)) or by contacting **us** (or their broker) directly. Changes can affect the premium that is payable. If a change is made to the **policy**, **we** will issue new **policy** documents to the **policyholder** as soon as the change is completed. Please be aware that an upgrade waiting period may apply where there is an upgrade in cover (please see section 6 for further details on upgrade waiting periods). **We** cannot take instructions to make changes to the **policy** or any of the **plans** listed on the **policy** from a **member**. However, the **policyholder** can nominate a person to act on their behalf to make changes to the **policy** or any of the **plans**. If **you** wish to nominate someone, please call or write to **us** and let **us** know if they have authority to act on the entire **policy** or just specific **plans**.

Where a **plan** is altered prior to the end of the **policy year**, the Day-to-day Benefits and Out-patient Benefits will be applied on a **pro-rata** basis.

### Renewing your plan

To renew **your** membership:

- > If **you** pay in monthly instalments by direct debit, simply continue to make **your** direct debit payments. **We** will automatically renew **your policy**.
- > If **you** pay **your** annual premium in advance by credit card, please contact **us** to arrange payment and renew **your policy** (see section 10 of this Membership Handbook for **our** contact details).

Where **your** premium is collected by monthly direct debit via **your** broker, **your** monthly direct debit will automatically roll over at **your** next renewal date. If **you** wish to amend this, change **your** bank details, or change **your** method of payment to an annual payment, please contact **your** broker directly.

### Cancelling your policy

**Your policy** or any of the **plans** listed on **your policy** may be cancelled before the end of **your policy year** for one of three reasons:

- 1) **You no longer want health insurance with Irish Life Health**  
The **policyholder** can choose to cancel the **policy** or any of the **plans** listed on the **policy** at any time. To do this, they just need to call **our** customer services team or let **us** know in writing. If **we're** asked to remove a **member** from the **policy**, **we** reserve the right to tell them that they are no longer covered, however, please note that it is not **our** policy to do so. It is the **policyholder's** responsibility to inform the **members** on their **policy** of any changes that affect their cover.
- 2) **Premiums are not kept up to date**  
**We** will cancel the **policy** or any of the **plans** listed on **your policy** if **you** do not pay **your** premium when it falls due. **We** will cancel the **policy** or any of the **plans** listed on the **policy** from the date that **your** premiums were paid up to (the Cancellation Date). **We** will not pay any **claims** for goods or services received after the Cancellation Date. **We** will send **you** a letter or email giving **you** 14 days' notice of **our** intention to cancel. **We** will send this to the last postal or email address **you** provided.

### 3) Incorrect information / fraud

We may cancel the **policy** or any of the **plans** on the **policy** if

- > we are provided with incorrect information about any of the **members** named on the **policy**; or
- > if any of the **members** named on **your policy** try to or make a fraudulent **claim**.

### Consequences of cancellation

Once a **plan** is cancelled, the **member** will no longer be covered. We will not pay any **claims** for goods or services received after the Cancellation Date. We will be entitled to recover any **claim** amount paid to a **member** for goods or services received after the Cancellation Date. The Out-patient Benefits and Day-to-day Benefits will be allocated on a **pro-rata** basis. (e.g. where the **GP** visits **benefit** covers a contribution of up to €30 for up to 8 visits and the **plan** is cancelled after six months, the number of visits for which the **member** can **claim** will be reduced to 4). The yearly **excess** applicable to those **benefits** will not be reduced on a **pro-rata** basis.

If a fully paid **policy** or **plan** is cancelled before the end of the **policy year** and no **claims** have been made before the **policy** or **plan** is cancelled, we will reimburse the **policyholder** for the cover the **members** have not received – i.e. from the Cancellation Date until the next **renewal date**. Please note we will apply a mid-term cancellation charge (you can find more information about this charge in the paragraph below). We will not return the amount of premium for any cover received before the date of cancellation. If we cancel a fully paid **policy** or **plan** before the end of the **policy year** due to the provision of incorrect information or fraud, we will not refund any of the premium that has already been paid.

### Mid-term cancellation charge

We will apply a mid-term cancellation charge if:

- > you choose to cancel **your policy** or any of the **plans** listed in **your policy** before the end of **your policy year**;
- > we are forced to cancel **your policy** or any of the **plans** listed in **your policy** due to non-payment of premium, because you or any of the **members** on the **policy** try to **claim** when you're/they're not entitled to or because you have provided us with incorrect information.

The mid-term cancellation charge is made up as follows:

- > An administration fee of €25;
- > The portion of the **government levy** which has not yet been paid by you. The **government levy** is a stamp duty which is payable on health insurance **plans**. A full explanation of the **government levy** is contained in the Definitions section of this Membership Handbook.

We reserve the right to deduct the amount for the mid-term cancellation charge against any amount due to be refunded. In all other cases we will send you an invoice in respect of the mid-term cancellation charge.

### Cooling Off

You can cancel **your policy** free of charge within 14 days from the date the **policy** was entered into or from the date you are given the **policy** documentation, whichever is the later. This is known as the cooling off period. We'll give you a full refund of

premium unless you or any **member** has made a **claim** during this period. Should you wish to cancel **your policy** with effect from a date later than the start date, we will charge you for providing health insurance cover up to the date of cancellation and we will apply a mid-term cancellation charge in this case.

### Paying your premiums

All premiums must be paid in euro. We have a number of payment options which are outlined below.

You can pay **your** premium monthly by direct debit or annually, in full, by debit or credit card only. We do not accept payment by cheque.

If you have chosen to pay by direct debit, we will collect **your** premium on a monthly basis and it's up to you to make sure **your** monthly payments are available for collection. The first payment in any **policy year** may be more or less than **your** monthly premium if **your policy** start date is different to **your** chosen direct debit collection date. This may also occur if you decide to change **your** direct debit collection date mid **policy year**.

Where **your** premium is collected by **your** broker, **your** monthly direct debit will automatically roll over at **your** next **renewal date**. If you wish to change **your** bank details or change to an annual payment, please contact **your** broker directly.

- > **Irish Life Health** and **our** agents reserve the right to review any information which relates to the **medical care**, goods or services that **you** are claiming for (including **your** medical records) where **we** are of the opinion that access to such information is required to process **your claim** and/or detect or prevent fraud. **You** must provide **your medical facility** and **health care providers** with any consents which they require to allow them to release such information to **Irish Life Health** and **our** agents. **We** will not pay **your claim** where **we** are unable to gain access to any information which **we** believe is necessary to enable **us** to process the **claim** or detect fraud;
- > If any provision of this Membership Handbook is found by any court or administrative body of competent jurisdiction to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect the other provisions of this Membership Handbook and all provisions not affected by such invalidity or unenforceability shall remain in full force and effect.
- > In the event that **Irish Life Health** disagrees with the classification of a **member** as a public or a private patient by a **medical facility** or a **health care provider**, **our** decision shall prevail and be final.

If **we** cannot agree on an arbitrator, the President of the Law Society of Ireland will decide on the arbitrator and the decision of that arbitrator will be final. **We** may not refer the dispute to arbitration without **your** consent where the amount of the **claim** is less than €5,000. If **you** do not refer such a dispute to arbitration within 12 months, **we** will treat the **claim** as abandoned.

## 6 Waiting periods

### Waiting periods

A waiting period is the amount of time that must pass before **you** will be covered under **your plan** or before **you** will be covered to the level of cover available under **your plan**. Previous foreign health insurance coverage is not taken into account for waiting periods. There are a number of different types of waiting periods:

- > Initial waiting periods
- > **Pre-existing condition** waiting periods
- > Upgrade waiting periods

### Initial waiting periods

Initial waiting periods apply when **you** take out health insurance for the first time or when **you** take out health insurance after **your** health insurance has lapsed for more than 13 weeks. **You** will not be covered during **your** initial waiting period.

Initial waiting periods do not apply in the following circumstances:

- > To **claims** made in respect of children who have been added to **your policy** within 13 weeks of the date of their birth
- > To **claims** made in respect of adopted children who have been added to **your policy** within 13 weeks of the date of their adoption
- > To **claims** in respect of **emergency care** for **accidents** and **injuries**.

The table below sets out the initial waiting periods applied by **Irish Life Health**. These waiting periods will apply from the date **you** took out health insurance with **Irish Life Health** or another insurer for the first time, or, from the date **you** took out health insurance with **Irish Life Health** or another insurer after **your** health insurance had lapsed for more than 13 weeks.

### Pre-existing condition waiting periods

Where **you** make a **claim** which relates to a **pre-existing condition**, a **pre-existing condition** waiting period will apply. A **pre-existing condition** is an ailment, illness or condition, the signs or symptoms of which existed at any time in the six months before **you** took out health insurance for the first time or before **you** took out health insurance after **your** health insurance had lapsed for more than 13 weeks.

**You** will not be covered for a **pre-existing condition** during **your pre-existing condition** waiting period. **Our medical advisers** will decide whether **your claim** relates to a **pre-existing condition**. Their decision is final.

**Pre-existing condition** waiting periods do not apply in the following circumstances:

- > To **claims** made in respect of children who have been added to **your policy** within 13 weeks of the date of their birth
- > To **claims** made in respect of adopted children who have been added to **your policy** within 13 weeks of the date of their adoption.

The following table sets out the **pre-existing condition** waiting periods applied by **Irish Life Health**. These waiting periods will apply from the date **you** took out health insurance for the first time (with **Irish Life Health** or another insurer), or from the date **you** took out health insurance (with **Irish Life Health** or another insurer) after **your** health insurance had lapsed for more than 13 weeks.

### Upgrade waiting periods

An upgrade waiting period will apply when **you** upgrade **your** cover (i.e. **you** purchase a **plan** with more comprehensive cover than **your** previous plan). This may happen if **you** change **your plan** with **us** or when coming to **Irish Life Health** from another health insurer. **We** will apply an upgrade waiting period to **claims** where **your** treatment relates to a pre-existing condition. Where an upgrade waiting period applies, **we** will cover **you** up to the level that was available under the **benefit** that **you** are claiming of **your** previous plan. Where the **benefit** **you** are claiming was not available on **your** previous **plan**, **you** will not be covered.

A **pre-existing condition** is any ailment, illness or condition that, on the basis of medical advice, the signs or symptoms of which existed at any time in the period of six months ending on the day on which

- > **you** took out health insurance for the first time
- > or **you** took out health insurance after **your** health insurance had lapsed for more than 13 weeks.
- > or **you** upgraded **your** cover to a higher level **plan**

In these circumstances, **you** will be covered up to the level of cover that was available on the **plan** that **you** previously held before upgrading **your** cover. Please see the upgrade waiting period table below for the details of upgrade waiting periods by **benefit** type. **Our** medical advisers will determine when **your** ailment, illness or condition commenced. Their decision is final.

The table below sets out the upgrade waiting periods applied by **Irish Life Health**. These waiting periods will apply from the date **you** upgraded.

## 7 Fraud Policy

We operate a fraud policy in respect of all **claims** made by **you** or on **your** behalf. **We** do regular audits of all **claims**. In all instances where fraud is suspected, **we** will carry out a full and comprehensive investigation. If a **claim** submitted by **you** or on **your** behalf is found to be fraudulent or dishonest in any way, the **claim** will be declined in its entirety, **benefits** under the **policy** will be forfeited and the **policy** and/or any **plans** listed on the **policy** may be cancelled. **We** reserve the right to refer the matter and details of the fraudulent **claim** to the appropriate authorities for prosecution.

## 8 Group Schemes

If **your plan** was started as part of a **group scheme** arrangement and the **group scheme sponsor** is acting on **your** behalf, **you** agree that the **group scheme sponsor** will have the following powers and responsibilities for the **policy**:

- > The **group scheme sponsor** may instruct **us** to start and cancel the **policy**;
- > The **group scheme sponsor** may instruct **us** to change **your plan** or level of cover;
- > The **group scheme sponsor** may instruct **us** to add or reduce the number of **members** on the **policy**;
- > The **group scheme sponsor** may amend or cancel any or all of the **plans** listed under the **policy**;
- > The **group scheme sponsor** must ensure that all premiums are paid on time as unpaid premiums may impact whether **claims** are paid;
- > The **group scheme sponsor** must ensure that all adequate consents from **members** are obtained prior to the **policy** entering into force, including consents from **members** for the processing of their personal data.

**Members** who are part of a **group scheme** arrangement may require the permission of the **group scheme sponsor** to amend their cover. In such circumstances, the **members** may be required to pay additional premium for such amended cover. If **you** join a **group scheme** after the scheme start or renewal date, **your** benefit entitlement may be adjusted on a **pro-rata basis**.

If **your policy** was arranged through a **group scheme sponsor**, **your** cover will continue as long as **you** fulfil the conditions for participation in the **group scheme** and the **group scheme sponsor** continues to pay **your** premium.

## 9 Premium Changes

We may change the premium payable for **our plans** from time to time. These changes will not affect **you** until **your next renewal date** unless **you** change **your plan** during **your policy year**. Please note that **we** deduct **your tax relief** from **your** premium so **you** don't have to **claim** it back from the Revenue Commissioners. The level of **tax relief** is set by the Government and may be changed at any time which is outside **our** control. **We** are legally obliged to apply tax changes immediately and this may result in a change to the amount that **you** are required to pay to **us** for the **plans** listed in **your policy**.
