Words in **bold** in this Membership Handbook are defined terms. These are words or phrases commonly used in the private health insurance industry. **You** can find full explanations in the Definitions section at the end of this Membership Handbook. Where these terms appear in the text, it is important that **you** understand the meaning and read these in conjunction with the rest of terms and conditions throughout this document.

#### Your Contract

#### Everything you need to know about your policy

Your contract with us is made up of the following:

- > Your Membership Handbook
- > Your completed Application Form, whether completed by you or on your behalf (if applicable)
- Your policy documentation, which sets out your plan, your membership number, your commencement date and your next renewal date
- > Your Table of Cover, which outlines the benefits in your plan and which List of Medical Facilities applies to your plan
- > The Schedule of Benefits, which sets out the **treatments** and **procedures we** cover
- > The Lists (explained below)
- > Terms of Business
- > Data Privacy Statement

Health insurance policies are contracts between the insurer and the policyholder, because the policyholder (or in some cases their employer) is the person who has arranged and paid for the policy. However, the terms and conditions of this contract will apply to all plans and all claims made under the policy. Therefore, where we refer to 'you' and 'your' throughout this Membership Handbook, we refer to both the policyholder and the member(s) listed on the policy. This also applies to members of group schemes. If you are a member of a group scheme where your employer has arranged your cover and is paying all or part of your premium, the Group Schemes section in this Membership Handbook will also apply to you.

You must ensure that the information that is provided to us when you are taking out a policy (whether in an application form or otherwise) is accurate and complete (even where the information is being provided to us by someone on your behalf). Otherwise, it could mean we won't pay a claim under the policy and some or all of the members' plans under the policy may be cancelled. This may also cause difficulty should you wish to purchase health insurance elsewhere.

#### Understanding your cover

Health insurance cover can be difficult to understand so to help you check your cover we have set out a checklist below. We understand that it may be difficult for you to figure out whether you are covered yourself so if you're in any way unsure, please call us on 01 562 5100 and we'll walk you through it. In fact, we would always advise you to check your cover with us before undergoing any procedure or treatment or being admitted to a medical facility. When checking your cover with us, you will need to tell us where you intend to have the procedure or treatment performed, the name of your health care provider and the procedure/treatment code. You can get this information from your health care provider.

The checklists below explain what to look for to see if **you** are covered under **your** Day-to-day Benefits, Out-patient Benefits or In-patient Benefits. **You** will notice that some of **your benefits** will be classed as Maternity Benefits or Other Benefits on **your** Table of Cover. Some of these **benefits** are **claimed** as Out-patient Benefits or In-patient Benefits and the checklists below will apply to these.

#### Day-To-Day Benefits and Out-patient Benefits

#### **In-Patient Benefits**

What to look for	Where to check
Is the treatment or procedure an established treatment? Is the treatment or procedure medically necessary? Is your health care provider registered with Irish Life Health and a participating health care provider? Will you be admitted to a medical facility and if so, which one? If not, where will you be having your procedure or treatment performed?	Your health care provider
Is your treatment or procedure covered (is it listed in the Schedule of Benefits)? Do any clinical indicators apply and do you meet them? Does your treatment or procedure need to be pre-authorised? Is your treatment or procedure covered when it is carried out by the type of health care provider you are attending (i.e. is it covered when carried out by a GP, dentist, oral surgeon, periodontist)? If your treatment or procedure is not going to be performed in a hospital or treatment centre, is it covered when it is carried out in your health care provider's rooms?	The Schedule of Benefits or your health care provider

As you can see, you will need to take many factors into account to see whether your health expenses are covered. Below is a short explanation of the contractual documents and other factors that you need to take into account to see if you are covered.

#### Membership Handbook

This document:

- > will help guide you through your health insurance cover
- > explains the general terms and conditions of **your** contract with **us**
- explains all our benefits including the terms and conditions which apply to each (but please note that all these benefits may not be available on your plan)
- > sets out the things that are not covered under your plan
- > explains how to make a claim

Section 12 of this Membership Handbook contains tables which show the medical facilities that are covered under our plans. They also show if we pay them directly (known as direct settlement) or if you need to pay them yourself and claim this back from us. You will be covered for the medical facilities specified in one of four lists shown in the tables (your "List of Medical Facilities"). Your Table of Cover shows which List of Medical Facilities applies to you.

#### Table of Cover

Your Table of Cover sets out the **benefits** that are available under your plan.

#### The Schedule of Benefits

The Schedule of Benefits is sectioned by specialty and sets out the **treatments** and **procedures we** cover and which of these need to be **pre-authorised**. It shows the **clinical indicators** that must be present in order for a **procedure** or **treatment** to be covered. It also specifies that certain **treatments** and **procedures** will only be covered if they are performed by a certain type of **health care provider** or if they are performed in a certain place (i.e. in a hospital).

The GP section sets out the procedures and treatments that we will cover when they are carried out by your GP in their surgery. It also shows which of these procedures and treatments require pre-authorisation and sets out any clinical indicators that apply.

These documents contain medical language which is really designed to be read by doctors and consultants. For this reason, we would advise you to contact us or your health care provider before undergoing your procedure or treatment to confirm whether it will be covered by us. The Schedule of Benefits can be accessed on our website at Irishlifehealth.ie or a hard copy can be requested from us.

#### The Lists

These Lists show what is covered under certain **benefits** and in some cases contain criteria which must be satisfied before the **benefit** will apply. **We** will let **you** know throughout this Membership Handbook or in **your** Table of Cover when it is necessary to refer to a List in connection with a **benefit**. The Lists are available on **our** website www.irishlifehealth.ie/privacy-and-legal/schedule-of-benefits. The following is a brief explanation of each of the Lists:

#### 1. The List of Special Procedures

This confirms which **procedures** are covered under the Listed Special Procedures **benefit.** See section 2.2 of this Membership Handbook for further information on this **benefit**.

#### 2. The List of Cardiac Procedures

This confirms which **procedures** are covered under the Listed Cardiac Procedures **benefit**. See section 2.2 of this Membership Handbook for further information on this **benefit**.

#### 3. The List of Medical and Surgical Appliances

This list confirms the medical and surgical appliances for which you can claim a contribution from us under the medical and surgical appliances benefit. It also sets out the contribution that can be claimed for each appliance.

#### 4. The List of Orthopaedic Procedures Subject to Co-Payment

This list specifies the orthopaedic **procedures** where a copayment applies when such **procedures** are carried out in a private or high-tech hospital.

#### 5. The List of Cardiac Procedures Subject to Co-Payment

This list specifies the cardiac **procedures** where a co-payment applies when such **procedures** are carried out in a private or high-tech hospital.

### 6. The List of Clinical Indicators for Cardiac MRI and Cardiac CT Scans

This list sets out the **clinical indicators** that must be satisfied for cardiac MRI and cardiac CT scans.

#### 7. The List of Post Operative Home Help (POHH) Procedures

The post-operative home help **benefit** is only available following certain **procedures**. These are set out in the List of Post-Operative Home Help (POHH) Procedures.

#### 8. The List of Gender Affirmation Procedures

This list confirms which procedures are covered under the gender affirmation **benefit**.

#### 9. List of Provider Partners

This list confirms the provider partners for which **you** can **claim** a **benefit**, discount from or contribution from **us** under certain **benefits** 

#### 10. The List of Ophthalmic Procedures Subject to Co-Payment

This list specifies the ophthalmic **procedures** where a copayment applies when such **procedures** are carried out in a **private** or **high-tech hospital**.

#### 11. The List of Care Connect health programmes

This list confirms the health programmes available under the Care Connect **benefit**.

#### **Ground rules**

We will only cover the costs of medical care which our medical advisers believe is an established treatment which is medically necessary. In addition, we only cover reasonable and customary costs.

#### **Clinical Indicators**

In some cases medical criteria known as clinical indicators need to be satisfied before our medical advisers will consider the treatment or procedure to be medically necessary. If clinical indicators apply, they will be set out alongside the procedure or treatment in the Schedule of Benefits or in the List of Clinical Indicators for Cardiac MRI and Cardiac CT Scans.

#### Pre-authorisation

Certain procedures and treatments are not covered unless they are approved in advance by us. Approval is only given where the procedure or treatment meets specific clinical indicators or we determine that it will result in a reasonably favourable medical prognosis. If your treatment or procedure needs to be preauthorised, this will be specified in the Schedule of Benefits. To apply for pre-authorisation, your health care provider must submit a request in writing to Irish Life Health in order for your claim to be considered. We will assess your request as soon as possible but in any case within 15 working days.

The **treatment** must begin, or **surgical procedure** must be performed, before **your pre-authorisation** expires. **Your pre-authorisation** will end either six months from when it is granted, or if **you** change **your plan** and reduce your level of cover, or if you cease to be a **member** of **Irish Life Health**, whichever is sooner.

#### Your health care provider

In most cases your treatment or procedure will be carried out by your consultant but there are some treatments and procedures listed in the Schedule of Benefits which can be performed by your GP, dentist, oral surgeon or periodontist. The professional fees of health professionals can be covered as an In-patient Benefit, an Out-patient Benefit or a Day-to-day Benefit depending on type of care you receive.

Generally when you receive a procedure or treatment that is listed in the Schedule of Benefits, your health care provider's fees will be covered under your In-patient Benefits. We fully cover health care providers who are registered with us and have agreed to accept payment from us in full settlement of their professional fees (i.e. a participating health care provider). You will have to pay most, or all, of your health care provider's fees yourself if they are not registered with us or are not participating. Please see section 2.2 of this Membership Handbook for a full explanation about how your health care provider's professional fees are covered under your In-patient Benefits.

Generally an out-patient consultation with a consultant or a visit to your GP or dentist will be covered as a Day-to-day Benefit or an Out-patient Benefit. In these circumstances it doesn't matter if your consultant/GP/dentist is registered with Irish Life Health or is participating. Day-to-day Benefits and Out-patient Benefits usually allow you to claim a contribution from us towards a certain number of visits to your consultant/GP/dentist in your policy year. If these benefits are available under your plan, the amount you can claim back per visit and the number of visits for which you can claim will be shown in your Table of Cover.

#### Waiting periods

**Your** medical expenses will not be covered until after **your** waiting periods have expired. Waiting periods are explained in section 6 of this Membership Handbook.

#### Excess/Shortfall/Co-payment

You will need to pay any excess, shortfall or co-payment that applies to a benefit or a group of benefits under your plan. You can't claim these expenses back from us. You can see if an excess, shortfall or co-payment applies by checking your Table of Cover. See sections 2.1 and 2.2 of this Membership Handbook for more information on excesses, shortfalls and co-payments.

#### Understanding changes to your cover

#### 1. Changes to your plan on renewal

From time to time we alter the benefits available under our plans. If we alter the plan that you are on, the benefit changes will not affect you during your policy year but will apply if you purchase that plan at your next renewal. Therefore, it is important to remember that where you renew on the same plan the benefits may not be the same as they were in your previous policy year.

#### 2. Changes to your cover throughout your policy year

In some cases, the cover that is available under **your plan** may change throughout **your policy year** for the following reasons:

#### Changes to the Schedule of Benefits

We review and where necessary amend the Schedule of Benefits regularly to update the **procedures** and **treatments** that are covered by **us** and the **clinical indicators** conditions of payment and/or payment indicators that apply to **procedures** and **treatments**. These changes may become effective during **your policy year**. **You** can find the most current versions of these on **our** website or call **us** on 01 562 5100 to check cover.

#### Changes to the List of Medical Facilities

We may add medical facilities to the List of Medical Facilities from time to time. We may also need to remove medical facilities from the List of Medical Facilities if our arrangement with those medical facilities ends. The medical facilities which will be paid directly by us may also change from time to time. See section 2.2 of this Membership Handbook for further details. You can find the most current versions of these lists on our website or call us on 01 562 5100 to check cover.

#### Changes to The Lists

We may need to make changes to the Lists from time to time to update the **procedures**, **treatments** and appliances that are covered under certain **benefits** and review the clinical indications, conditions of payment and/or payment indicators that are applied to them. **You** can find the most current versions of these on **our** website or call **us** on 01 562 5100 to check cover.

#### Changes to the status of health care provider

Your health care provider's status with us (i.e. whether they are registered and are a participating health care provider) may change from time to time. This means that the amount of their professional fees that we will cover may change throughout your policy year. You can check whether your health care provider is registered with Irish Life Health and whether they are a participating health care provider by contacting us on 01 562 5100. Please see section 2.2 of this Membership Handbook for further information on how your health care provider's status affects how their fees are covered.

#### Changes to **benefits** provided by provider partners

Provider partners **benefits** may change or cease during the **policy year** and such changes are outside of **our** control.

#### Changes required by law

In the event that **we** are legally required to make changes to any of **our** contracts, **policies** or **plans**, such changes shall effect **your plan** immediately.

The changes described above are automatically applied to all **our plans** as soon as they occur. **You** and the **members** named on **your policy** should always check the most recent Schedule of Benefits, The List of Medical Facilities and Lists, and check whether

your health care provider is registered with us and whether they are participating before undergoing any procedure or treatment, or being admitted to a medical facility. You can do this yourself by checking the most up to date information on our website or you can call us and we will check this for you.

#### Acknowledgment

By entering this **policy you** are acknowledging that **you** have read this Membership Handbook and understand **your** cover. In particular, **you** are confirming that **you** understand the contractual documents that make up **your** contract with **us** and that **your** cover may change throughout **your policy year**.

#### 2 Your Cover & How to Claim

The **benefits** available under **your plan** are shown in **your** Table of Cover. They are divided into different sections mainly due to how they are **claimed** or the type of expenses covered.

The following sections of this Membership Handbook explain the different types of **benefits** offered by **us**. Within each section is a table which lists **our benefits**, shows the terms and conditions that apply to each **benefit**, and tells **you** how to **claim** if

Please note that all these **benefits** may not be available under **your plan**. **You** should check **your** Table of Cover to see which **benefits** apply to **you** and how much **you** can **claim** under each **benefit**. **You** will also be able to see on **your** Table of Cover if an **excess**, shortfall or co-payment applies.

How **our benefits** are categorised can change on different **plans**, so **you** may notice that some of **your benefits** appear in different sections in this Membership Handbook and on

your Table of Cover. If a benefit listed in your Table of Cover is not explained in the corresponding table in this Membership Handbook, please check the tables in other sections of this Membership Handbook. The terms and conditions that apply to our benefits (as described in the tables below) will always apply even if the benefit is positioned in a different section of your Table of Cover.

If a day-to-day excess or an out-patient excess applies to your plan, this will apply per policy year and will always affect all the benefits included in those sections of your Table of Cover. It doesn't matter if one or more of your Day-to-day Benefits or Out-patient Benefits appear in a different section in this Membership Handbook.

You will always be covered to the level of cover set out in the Minimum Benefit Regulations for the medical services listed in those regulations (subject to any waiting periods). Please see section 6 and the Definitions section of this Membership Handbook for an explanation of the Minimum Benefit Regulations. We will always deduct any withholding tax or other deductions required by law before paying your claim.

#### 2.1 Day-to-Day and Out-patient Benefits

These benefits typically allow you to claim a contribution from us towards visits to certain medical practitioners or for certain medical services. The amounts that can be claimed and frequency or number of visits they apply to are set out in your Table of cover. Where contributions are listed as a single amount, they are claimable once per policy year unless otherwise stated. Please see the "How to calculate your cover under your Day-To-Day Benefits and Out-patient Benefits" section below for details on how you may be covered under these benefits. You can claim these benefits for medical services received in Ireland or when you are abroad.

Under some **benefits**, **you** may also be able to **claim** a discount directly from the provider partner. The discount that is available to **you** is set out in **your** Table of Cover. **You** will need to provide the provider partner with **your Irish Life Health** membership number at the time of purchasing or booking the products or service to avail of these discounts.

Day-to-day Benefits are not included on all **plans**. If they are not covered on **your plan** and **you** wish to add day-to-day cover to **your plan**, please call **our** customer service team on 01 562 5100 to see what options are available to **you**.

There may be instances where **benefits** in the Out-patient and Day-to-day sections apply to the same medical expenses. In this instance when claiming online, please check **your** Table of Cover to choose the section **you** wish to **claim** under. **You** cannot **claim** for the same medical expenses twice.

PET-CT Scans MRI Scans CT Scans Cardiac MRI Scans Cardiac CT Scans	Under this <b>benefit we</b> will cover or contribute towards the costs of <b>your</b> scan. The amount that is covered and how it is covered will depend on whether <b>you</b> have <b>your</b> scan carried out in a scan facility that is covered in the appropriate table for <b>your</b> scan type in <b>your</b> List of Medical Facilities on pages 75-82 ( <b>i.e.</b> an approved centre) or in a scan facility that is not included in <b>your</b> List of Medical Facilities ( <b>i.e.</b> a non-approved centre). The maximum amount that can be <b>claimed</b> for non-approved centres in <b>your policy year</b> may be limited. This will be shown on <b>your</b> Table of Cover. The following criteria must be satisfied before <b>your</b> scan will be covered:  MRI Scans	
	You must be referred by a <b>consultant</b> , <b>GP</b> or a Physiotherapist*. Acceptance of Physiotherapist* referrals for <b>direct settlement</b> are at the discretion of the approved scan centre and <b>we</b> advise <b>you</b> to confirm this in advance. For MRI scans in St. James's Hospital <b>you</b> must be referred by an oncologist or other clinician working in St. James's Hospital and the scan is required for the diagnosis, <b>treatment</b> or staging of a cancer.  CT Scans	
	You must be referred by a consultant or GP. For CT scans in St. James's Hospital and the Bon Secours Hospital, Cork you must be referred by an oncologist or other clinician working in that hospital and the scan is required for the diagnosis, treatment or staging of a cancer.	

#### Cardiac MRI Scans

You must be referred by a consultant, All cardiac MRI scans must be carried out in an approved cardiac scan facility (see the tables of MRI and CT facilities in section 12 of this Membership Handbook).

#### Cardiac CT Scans

You must be referred by a consultant. All cardiac CT scans (including CT TAVI scans where available) must be carried out in an approved cardiac scan facility list (see the tables of MRI and CT facilities in section 12 of this Membership Handbook). In some facilities, diagnostic calcium CT scoring may be included, however, cover is limited to our agreements with our providers.

#### CT Colonography Scans

You must be referred by a consultant.

#### PET-CT and PSMA Scans

All PET-CT and PSMA scans must be referred by a consultant.

In addition the clinical indicators which relate to your type of scan must be satisfied before it will be covered. The clinical indicators which must be satisfied before you will be covered for a cardiac MRI or cardiac CT scan are set out in the List of Clinical Indicators for Cardiac MRI and Cardiac CT Scans. Independent Calcium CT scoring scans are not covered under this benefit but may be claimed under Out-patient Radiology: cost of test or Health screening and allergy testing where these benefits are available on your plan. Please note certain scan centres will only accept Consultant referrals for all scan types. Please contact your scan centre to confirm cover before you attend.

#### How to claim

If your scan is carried out in an approved centre (i.e. a scan facility that is covered in the appropriate table for your scan type in your List of Medical Facilities), we will pay the scan facility directly. If your scan is carried out in a non-approved centre (i.e. a scan facility that is not covered in your List of Medical Facilities) you will have to pay for your scan yourself and claim the amount that is covered back from us, if cover for non-approved centres is included in your plan during or at the end of your policy year by scanning your original receipts and submitting them through our online claims tool (Irish Life Health Online Claiming) in your member area on www.irishlifehealth.ie. You must submit your receipts within six months of the end of your policy year. If your receipts are not received within these six months, your claim will not be paid.

You should keep your original receipts for your own records and in case we request them to be resubmitted.

Benefit	Description / Criteria
International Second Opinion Service	See Irish Life Health Member Benefits under section 2.7

- We will only cover the costs of visits to practitioners who have appropriate qualifications and registrations. Please see our Directory of Allied Health Professionals, Alternative (Complementary) and Other Practitioners in section 11.1 of this Membership Handbook for details of the qualifications and registrations which each practitioner must hold.
- \*\* The provider partners named under these benefits may change from time to time. Access to these benefits is subject to availability and the provider partners' terms and conditions of use. Our provider partners operate independently from Irish Life Health and we accept no liability for the provision of their services and are not liable for any point of sale or other discounts which may be offered by a provider partner. Provider partner benefits may change or cease during the policy year and such changes are outside of our control. While we aim for nationwide coverage with our benefits, a service may not be available in your locality. Please also note that we are not responsible for the content of the websites of these provider partners.

## How to calculate your cover under your Day-to-day Benefits and Out-patient Benefits

The amount that can be **claimed** under these **benefits** is set out in **your** Table of Cover. It may be a set amount per visit or it may be a percentage of the cost of the visit up to a maximum amount per visit or per **policy year**. There may be a limit to the number of times in **your policy year** that **you** can **claim** a refund for a visit to a particular medical practitioner or for a particular service. In some cases the **benefit** is only available for a specific provider partner. Where this is the case, the provider partner will be named in the tables above. In addition, the number of refunds that **you** can **claim** for specified practitioners collectively may be limited (this is known as "combined visits"). Please note that there may be a limit on the total amount that **we** will pay for Day-to-day Benefits or Out-patient Benefits in a **policy year**. This limit will apply before the deduction of any applicable **policy excess**.

In addition, an excess may apply to the total amount you claim under your Day-to-day Benefits or Out-patient Benefits in your policy year. So for example, where an excess applies to the Outpatient Benefits under your plan, it applies to the total amount you are claiming for all your Out-patient Benefits in your policy year. When you submit your receipts to us we will calculate the total amount due to be refunded to you under all your Outpatient Benefits, subtract the excess and refund you the balance.

#### For example:

	Example 1	Example 2
Cover shown on Table of Cover	€60 x 2 consultant visits	75% x 5 consultant visits
Number of times <b>you</b> visited <b>your</b> consultant in <b>your policy year</b> and how much <b>you</b> paid per visit	2×€100	5 x €100
Total amount that <b>you</b> can <b>claim</b> (the number of times <b>you</b> visited a consultant multiplied by the maximum amount that can be <b>claimed</b> per visit)	2 x €60 = €120	5 x €75 = €375
Less out-patient excess	€150	€200
Money we pay <b>you</b> back	€0	€175

#### 2.2 In-patient Benefits

In-patient Benefits typically cover the fees charged by **your** hospital, **treatment centre** and **health care provider** whilst **you** are admitted to a hospital or **treatment centre** covered under **your plan** as an **in-patient** or **day case** patient.

#### **Hospital costs**

The fees charged by your hospital or treatment centre for your medical care whilst you are admitted are known as hospital costs. They include hospital accommodation costs, charges for the use of the operating theatres, charges for radiology and pathology, nursing charges, costs of prosthesis and charges for drugs administered for consumption whilst you are admitted. You can find the level of cover available for your hospital costs in a public hospital, private hospital and high-tech hospital in vour Table of Cover (see section entitled "Hospital Cover"). You can check whether your hospital is public, private or high-tech in the tables of medical facilities in section 12 of this Membership Handbook. Treatment centres are classed as private hospitals in terms of your level of cover. Any excess or co-payment specified on your Table of Cover in respect of private hospital cover will not apply to treatment centres but any shortfalls specified will.

#### Medical facilities covered under your plan

The medical facilities covered under your plan are shown in your List of Medical Facilities. There are four of these lists but only one will apply to your plan. You can see which one applies to you in your Table of Cover. The Lists of Medical Facilities are contained in the tables of medical facilities in section 12 of this Membership Handbook.

Where you are admitted to a medical facility covered under your plan, and where it is medically necessary, your hospital costs will be fully covered subject to any limitations specified in your Table of Cover, such as excesses, (subject to exceptions as outlined under In-patient or Day Case excess section below), shortfalls, co-payments, private rooms covered at semi-private rates, etc. Where necessary, we have agreements with medical facilities to ensure that this is the case. However, medical facilities are free to end their arrangement with us at any time so we cannot guarantee that this will continue to be the case for all the medical facilities covered under your plan throughout your policy year. Where this arrangement between us and a medical facility ends, the medical facility will no longer be covered by us and it will be removed from all the Lists of Medical Facilities. Similarly, where we enter into new arrangements with medical facilities, they will be added to one or more of the Lists of Medical Facilities. Such changes will affect your plan immediately. Up-to-date Lists of Medical Facilities are available on our website at Irishlifehealth. ie. We recommend that you always check whether your medical facility is covered before being admitted by reviewing your List of Medical Facilities on our website or contacting our call centre on 01 562 5100.

#### Medical facilities not covered on your plan

We will not cover your hospital costs in a medical facility which is not covered in your List of Medical Facilities.

We have made every effort to ensure that all health services that are listed in the Minimum Benefit Regulations ("Prescribed Health Services") are available through at least one of the medical facilities covered in your List of Medical Facilities. In the unlikely event that a Prescribed Health Service is not available in one of those medical facilities, we will cover the Prescribed Health Service in a medical facility that is not covered in your List of Medical Facilities as if it was covered under your plan (i.e. to the level of cover available under your In-patient Benefits). However, you must notify us in advance that you wish to receive such medical services in a medical facility that is not covered under your plan. Please note that we will not cover you if you receive health services (other than emergency care), which are not listed in the Minimum Benefit Regulations, in a medical facility which is not covered under your plan.

We will cover your stay in a public hospital that is not covered under your List of Medical Facilities whilst you are receiving emergency care, provided the public hospital is listed on one of the Lists of Medical Facilities covered by Irish Life Health. You must have been admitted through the accident and emergency department. Any follow on care and/or elective treatments or procedures will only be covered in a medical facility which is covered under your plan. The only exception to this is if our medical advisers agree that you are not medically fit to travel, in which case we will cover your hospital costs in the same public hospital but this will need to be pre-authorised by us.

#### How long are your hospital costs covered for?

You can claim hospital costs under your In-patient Benefits for a total of 180 days in a calendar year (the "Maximum Period"). This Maximum Period includes the number of days for which you can claim hospital costs or approved psychiatric home care programmes as a psychiatric patient. The number of days that you can claim as a psychiatric patient is shown in the psychiatric treatment benefits in your Table of Cover.

Please note that the Maximum Period includes any days for which you have already claimed hospital costs (including hospital costs or approved psychiatric home care programmes as a psychiatric patient) under another plan with us or with another health insurer in a calendar year.

#### Your health care provider's fees

#### Consultants

Your in-patient benefit for consultant's fees covers the professional fees of consultants who are registered with Irish Life Health, where they provide you with the treatments and procedures listed in the Schedule of Benefits. Your consultant's fees will only be covered where your procedure or treatment is performed in a medical facility covered under your plan. However, there is a small number of treatments and procedures which will be covered when they are performed in your consultant's room. These are set out in the "non-hospital" section of the Schedule of Benefits.

#### Consultants registered with Irish Life Health

We will only cover consultants who are registered with Irish Life Health. Where your consultant is registered with us, the extent to which their professional fees are covered will depend on whether they have chosen to be a participating consultant or standard rate consultant.

· Participating consultants

Participating consultants have agreed to accept payment from us in full settlement of their fees for performing the procedures and treatments in the Schedule of Benefits. This means that if your consultant is a participating consultant, you will be fully covered for the procedures and treatments listed in the Schedule of Benefits provided the consultant is operating within the rules imposed by the HSE relating to his capacity to practice privately.

#### · Standard rate consultants

Standard rate consultants (or part participating consultants) have not agreed to accept payment from us in full settlement of their fees. Only a small portion of the fees of standard rate consultants will be covered for performing the procedures and treatments in the Schedule of Benefits. Therefore, if your consultant is a standard rate consultant you will have to pay a large portion of their fees yourself. You will not be able to claim this back from us.

#### Consultants not registered with Irish Life Health

Where your consultant is not registered with Irish Life Health we will not cover their professional fees. The only exception to this is if your consultant's fees for performing your treatment or procedure are included in the Minimum Benefit Regulations. If they are, you can claim the amount set out in the Minimum Benefit Regulations back from us at the end of your policy year. It's important you know your consultant's fees are likely to be a lot more than the amount shown in the Minimum Benefit Regulations. If this happens, you'll have to pay the difference.

#### Dentists/Oral surgeons/Periodontists

Your in-patient benefit for consultant's fees also covers a limited number of dental/oral surgical procedures where they are performed by a dentist, oral surgeon or periodontist. (This excludes dentist visits and emergency dental care which are covered under our Day-to-day Benefits and Out-patient Benefits).

The dental/oral surgical procedures that are covered under our In-patient Benefits are listed in the "Periodontal/Oral/Dental Surgery Ground Rules" section of the Schedule of Benefits. These procedures will only be covered where they are performed by the specified type of dental practitioner (i.e. a dentist, oral surgeon or periodontist). Please note many dental/oral surgical procedures require pre-authorisation. Your dentist/oral surgeon/periodontist's fees will only be covered where your oral/dental surgery is performed in a medical facility covered under your plan or in your dentist/oral surgeon/periodontist's room.

As with your consultant, your dentist, oral surgeon or periodontist must be registered with Irish Life Health. If they are not registered with us, you will not be covered (subject to cover prescribed under the Minimum Benefit Regulations, if applicable). The extent to which your oral surgeon/periodontist's professional fees are covered will also depend on whether they have chosen to be a participating or a standard rate oral surgeon/periodontist. See the consultant section above for a full explanation on how your oral health care provider's status as participating or standard rate affects your cover. Please note that all dentists are classed as standard rate so we will only cover a limited portion of your dentist's fees for performing oral/dental surgery.

#### GPs

We will cover your GP's fees for performing a limited number of

treatments and procedures in their surgery. Such procedures and treatments are covered under your in-patient benefit for consultant's fees. Your GP's fees for a routine visit will be covered under our Day-to-day Benefits or Out-patient Benefits. The treatments and procedures that will be covered under your In-patient Benefits are set out in the GP section. If your treatment or procedure is not listed in the GP section, your GP's fees will not be covered. As with consultants and dental professionals, your GP must be registered with Irish Life Health before they will be covered and the extent to which their fees are covered will depend on whether they are a participating GP or a standard rate GP. Please see previous sections for a full explanation on the effect of your health care provider not being registered with Irish Life Health and not participating with Irish Life Health.

#### Changes to the status of your health care provider

Health care providers are free to alter their arrangement with Irish Life Health at any time. Therefore, by way of example, a participating health care provider may choose to become standard rate or to unregister with us at any time. Any changes to their status with us will affect how they are covered immediately. Therefore, the level to which their fees are covered may change throughout your policy year. We recommend that you always check whether your health care provider is registered with Irish Life Health and whether they are participating or standard rate before undergoing any procedure or treatment or being admitted to a medical facility. You can do this by visiting our website or contacting our call centre on 01 562 5100.

#### Maternity treatment

In-patient Benefits do not apply where you are admitted to a medical facility for the delivery of your baby (except for caesarean section deliveries). Whilst you are admitted for the delivery of your baby, you are a maternity patient and your Maternity Benefits apply. The level of cover available to you for your maternity care is set out in your Maternity Benefits on your Table of Cover. Where your maternity care ends, but you remain admitted for any medically necessary reason, your Inpatient Benefits will apply and you will receive the level of cover available under the In-patient Benefits on your Table of Cover.

#### Psychiatric treatment

Where you are admitted to a psychiatric medical facility or a psychiatric unit in a medical facility, your hospital costs and consultant's fees will be covered under your In-patient Benefits at the level shown in the Hospital Cover section of your Table of Cover. Your plan will also include psychiatric treatment benefits. These benefits specify the maximum number of days for which you can claim your In-patient Benefits whilst you are a psychiatric patient for medically necessary treatment. If you are admitted to an approved psychiatric home care programme provided by a private psychiatric medical facility, the number of days claimed will be deducted from the maximum covered under your psychiatric treatment benefits.

#### How In-patient Benefits are claimed

In most cases, we'll pay the amount for which you are covered under your In-patient Benefits directly to your medical facility and health care providers. They claim the amount for which you are covered from Irish Life Health on your behalf and we pay this to them directly. This is known as **direct settlement**. Please note that only the amount for which **you** are covered will be directly settled with **your medical facility** and **health care provider**.

Direct settlement applies to all claims for professional fees for health care providers that are registered with us. We will not directly settle any claims for the amounts shown in the Minimum Benefit Regulations for health care providers that are not registered with us. Your List of Medical Facilities shows the medical facilities that we will pay through direct settlement. Whether direct settlement is available for a particular medical facility may change from time to time. You should always check the most up to date List of Medical Facilities before being admitted to any medical facility to see whether direct settlement applies or whether you will have to pay the medical facility and claim it back from us.

Where direct settlement applies, your medical facility or health care provider will submit your claim form to us on your behalf. It is important to remember that they are only making the claim on your behalf and that you are responsible for ensuring that all aspects of the claim are correct. If your claim form contains any inaccurate information, we may treat your claim as fraudulent, decline the claim and possibly cancel your plan or policy (see section 7 of this Membership Handbook for further information on our fraud policy). You will need to sign your claim form before your medical facility or health care provider submits it to us. Your medical facility and health care providers should always specify the medical care you received on your claim form before you are asked to sign it. You should check this information very carefully to ensure that it is accurate. By signing this form you are confirming that you have received the medical care specified in the form and that all information contained in your claim form is true and accurate. When we've paid your claims, we'll send you a statement confirming payment and outlining the amounts paid on your behalf.

Where direct settlement is not available, you will have to pay your medical facility and your health care provider yourself and claim the amount that is covered back from us. You will need to submit a claim form to us specifying the medical care you received which is signed by all relevant health care providers and your medical facility together with all your receipts. Your medical facility and health care providers will be able to provide these for you. The completed claim form and receipts should be sent to our claims team (see section 10 of this Membership Handbook).

#### Please note we reserve the right to:

- > refuse payment in respect of In-patient Benefits where you stayed in a medical facility overnight but our medical advisers determine that you should have been a day case
- > refuse payment in respect of day-case **benefits** where **our medical advisers** have determined that **you** should have been an **out-patient**
- > only pay the amount that would have been covered, if your treatment or procedure had been carried out in the manner deemed appropriate by our medical advisers and only where treatment was medically necessary.

#### Shortfall

In some cases **your benefit** may not cover all **your** medical costs and **you** will need to pay a proportion of such costs yourself. This is known as a shortfall. For instance, if **your hospital costs** are subject to 90% cover, **you** will be required to pay the remaining 10% yourself. **You** can see if a shortfall applies and if so, how much it is, in **your** Table of Cover.

#### In-patient or day case excess

In some cases you may be required to pay an amount of your bill before your cover begins. This is known as an excess. You can see if you have an excess on your In-patient Benefits in your Table of Cover. Excesses on In-patient Benefits apply each time you are admitted to a medical facility subject only to the following exceptions:

- where you are admitted as an in-patient or day case patient for the purpose of receiving chemotherapy, the in-patient excess will only apply once for each course of treatment. Where it has been more than 12 months since your last chemotherapy session, your course of treatment will be considered to have ended and the excess will apply again for any further course of treatment.
- where you are admitted as a day case patient for the purpose of receiving psychiatric treatment in a medical facility, the day case excess will only apply once for each course of treatment provided all days relevant to that course of treatment are submitted as a single claim. Where it has been more than 3 months since your last admission, your course of treatment will be considered to have ended and the excess will apply again for any further course of treatment.
- > where your Table of Cover states that an in-patient or day case excess is only payable on a certain number of admissions.
- > We will not apply the in-patient excess where you are admitted as an in-patient or day case patient for the purpose of receiving radiotherapy treatment.
- > We will not apply the in-patient excess where you are admitted as an in-patient or day case patient in the treatment centres covered in your List of Medical Facilities.

#### Co-payment for certain procedures

A co-payment is a large excess and is an amount that must be paid by you. You will need to make a co-payment for any of the orthopaedic procedures specified in the List of Orthopaedic Procedures Subject to Co-Payment, for any of the cardiac procedures specified in the List of Cardiac Procedures Subject to Co-Payment and/or for any of the ophthalmic procedures specified in the List of Ophthalmic Procedures Subject to Co-Payment where such orthopaedic, cardiac and/or ophthalmic procedures are carried out in a high-tech or private hospital. Co-payments may apply in addition to any other shortfall or excess on your plan. This will be displayed on your Table of Cover.

#### Colorectal cancer screening

Please note that In-patient Benefits only cover the costs of colorectal cancer screening (colonoscopy, FIT or CT colon) where **you** have:

> a family history of polyposis coli:

- > a family history of hereditary non polyposis coli;
- > a first degree relative diagnosed with colorectal cancer before the age of 60 years; or
- > two first degree relatives who have been diagnosed with colorectal cancer.

Where **you** satisfy the above criteria, **your** colorectal cancer screening will be covered under **your** In-patient Benefits once every five years from when:

- > you reach the age of 40 years; or
- you reach an age which is 10 years younger than the age at which your first degree relative was first diagnosed with colorectal cancer.

## Listed cardiac procedures and listed special procedures benefits

In most cases these **benefits** provide enhanced cover for **your hospital costs** in a high-tech hospital when **you** are undergoing the **procedures** specified in the List of Cardiac Procedures or the List of Special Procedures. This is because the **excesses** that apply to these **benefits** are generally lower than those that apply to **your** general **hospital costs** in a high-tech hospital. **You** can see if these **benefits** are available under **your plan** in the high-tech hospital section of **your** In-patient Benefits on **your** Table of Cover.

#### 2.3 Maternity Benefits

Maternity Benefits can be categorised as In-patient Maternity Benefits, Out-patient Maternity Benefits and Other Maternity Benefits, depending on how they are **claimed**. In-patient Maternity Benefits cover **your hospital costs** and some of **your consultant's** fees when **you** are admitted to a **medical facility** covered under **your plan** as a maternity patient for the delivery of **your** baby. The costs of **your** pre and post-natal care are not covered under **your** In-patient Maternity Benefits but may be covered under **your** Out-patient Benefits or Enhanced Protection & Maternity Personalised Packages.

#### **In-patient Maternity Benefits**

Benefit	Description / Criteria
Public hospital cover for maternity	Under this benefit we will either:  a) cover your in-patient hospital costs for 3 nights where you are admitted to a public hospital to give birth. (Please note that you will only be able to avail of a private room or semi-private room where you have opted to be treated privately or semi-privately by a consultant for your pre and post-natal care. The consultant's booking fee is not covered under this benefit but you may be able to claim back some of that fee under our "Out-patient maternity consultant fees" benefit or our pre/post-natal maternity costs benefit if these are available on your plan); or  b) pay the contribution specified in your Table of Cover towards your in-patient hospital costs.  The type of cover available to you will depend on your plan and is set out in your Table of Cover. This benefit is only available where you have been admitted to a public hospital covered on your plan to give birth. This benefit is only available for the first three nights of your hospital stay. Where it is medically necessary for you to remain in hospital for more than 3 nights, your fourth and subsequent night's stay will be covered under your in-patient Benefits so the level of cover available for a public hospital stay under your in-patient benefits will apply.  It is important to note that the level of in-patient cover under your in-patient benefits and your maternity benefits may be different. For example, if you have cover for a private room under your in-patient benefits but a semi-private room under your in-patient benefits, you will only be covered for a semi-private room for your fourth and subsequent night's stay. In this case you should ask to be moved to a semi-private room after your third night or you will have to pay the balance. Please note that caesarean section deliveries are covered under your In-patient Benefits and not under this benefit.
In-patient maternity consultant fees	Under this benefit we will either:  > Cover the professional fees of your baby's paediatrician;  > Cover your anaesthetist's and pathologist's professional fees; and  > Cover your consultant's professional fees. Or:  > Pay the contribution specified in the Table of Cover towards your consultants' professional fees. The type of cover available under your plan is set out in your Table of Cover. Please note that where you are attending a public hospital this benefit is only available where you have opted to be treated privately or semi-privately by a consultant for your pre and post-natal care.
How to claim	

Where the **benefit** covers a contribution towards the costs of **your** maternity care, the maximum amount that **we** will contribute will be set out in **your** Table of Cover. If **your** medical expenses exceed this amount, **we** will pay the maximum contribution to **your** medical facility or **health** care **provider** and **you** will need to pay them the balance. If **your** care is provided by an approved medical facility based in Northern Ireland, all claims will be assessed and settled in euro. **Irish Life Health** will use the foreign exchange rate which applies at the date of the invoice received from the medical facility or at the time of purchase, as appropriate. Please see section 2.2 of this Membership Handbook for details of how In-patient Benefits are claimed and paid.

#### Description / Criteria

#### Mental Health Guide

Our early intervention stress, depression and anxiety case management programme managed by Centric Mental Health Limited\* provides Irish Life Health members with exploratory and therapeutic treatment following referral through your employer's EAP service where your employer has a group scheme with Irish Life Health or through the Irish Life Health Healthy Minds benefit. To support your journey, you will have a dedicated Centric Mental Health case manager who will set out a programme of care that is personalised to you. You will be asked questions to assess your signs and symptoms to support you in improving your condition.

Treatment programmes and duration will vary depending on how your condition presents but will include either online or in-person treatment or a combination of both. You must attend the treatment provider recommended by your Centric Mental Health case manager. If one of Centric Mental Health's approved treatment providers is not available in your area, the Centric Mental Health team will try to offer an alternative. Your Centric Mental Health case manager will be responsible for determining the delivery and length of your treatment programme and their decision is final. You'll be entitled to one treatment programme in your policy year.

If you wish to amend your appointment time, you will need to follow your treatment provider's policy on appointment changes. If you miss your appointment without informing your treatment provider, a new appointment can be scheduled at a charge to you. Clinical responsibility for treatment lies with your treatment provider and not Irish Life Health. This benefit/treatment programme is available to members aged 18 years and over.

Due to the nature of the assessments, **treatment** provided and the clinical interventions used within this **programme**, **your** Centric Mental Health case manager will decide if this **programme** is suitable for **you**. **Members** who present with certain symptoms or conditions may not be appropriate for the programme and will be supported to ensure they are referred to the most appropriate health care professional in line with their presenting signs and symptoms. Any other services they may be referred to in this instance are not covered under the Mental Health Guide **benefit**.

The team and **programme** are managed by Centric Mental Health Limited\*. Further information is available on our website at www.irishlifehealth.ie.

# **Elective Overseas Referral**

In some cases you will be covered for treatment overseas but it is essential that you speak to us first. Irish Life Health will have to pre-approve any procedures carried out outside of Ireland before you travel abroad for treatment. The treatment must be carried out when you are on a temporary stay abroad, which is no more than 31 days at a time.

Benefit	Description / Criteria
Elective Procedure	Elective Procedure abroad - for procedures that are available in Ireland
abroad - for procedures that are available in Ireland	If you are covered for a medically necessary surgical procedure in Ireland we will cover you for the equivalent eligible medical costs abroad. If the treatment you require is available in Ireland but is not listed in the Schedule of Benefits we will not cover the treatment overseas.
Elective Procedure	Elective Procedure abroad - for procedures that are not available in Ireland
abroad - for procedures that are not available in Ireland	If the surgical procedure you require has been deemed medically necessary for you but is not currently available in Ireland, we also provide cover for new medically proven and certified surgical procedures overseas. To qualify for this type of treatment you must be covered under your plan for surgical treatment for the same condition in Ireland and your treatment must meet the conditions listed here.
	The proposed Elective <b>Procedure</b> abroad:
	> Must be for a condition for which the <b>treatment</b> is normally available in <b>Ireland</b> but where the specific surgical <b>procedure</b> needed is not.
	> Must not be controlled by a national register of waiting lists for transplants or other complex <b>procedures</b> .
	Irish Life Health's medical advisors must agree:
	<ul> <li>That the same clinical procedure can't be performed in Ireland.</li> <li>That the proposed surgical procedure is medically proven to be a more effective method of treatment than the alternative surgical procedures available in Ireland.</li> </ul>
	> That there is a reasonable prognosis if the <b>procedure</b> is carried out.
	We will cover you for the same hospital costs for which you would be covered to have your procedure carried out in Ireland. Where your procedure is not available in Ireland we will cover the amount that would have been covered for the most similar surgical procedure to of treat the same condition(s) in Ireland. The hospital costs will be calculated with reference to the medical facility in which it would have been most suitable for you to have your procedure carried out.
	Our medical advisers will determine which medical facility in Ireland should be used as a basis to determine your level of cover. Our medical advisors will also determine the consultants' fees that would have been covered in Ireland by reference to the most equivalent or similar procedures in the Schedule of Benefits. We will cover your consultant's fees to the same level as would be covered if you were treated by a participating consultant in Ireland. Please see section 2.2 of this Membership Handbook for information on how the professional fees of participating consultants are covered.
	Our medical advisors will base their assessment of the amount that will be covered on the information you provide in your Overseas Pre-Approval Form. In some cases your benefit may not cover all your medical costs and you will need to pay such costs yourself. We will confirm the amount that we will cover when we pre-authorise your procedure. This decision is final. We will not re-evaluate our decision or the amount that will be covered by us unless we have requested further information.
	If there are any unforeseen medical costs arising in relation to additional medically necessary treatment from the same episode of care, we will cover you for an amount up to the same amount of the costs that would have arisen and for which you would be covered for in Ireland. Please check your Table of Cover to see what level of cover is provided.
	Irish Life Health will not contribute to the cost of getting a written medical opinion from your consultant or to any costs incurred in travelling abroad for treatment or travelling home following the treatment.
	Please note that the following conditions apply to this <b>benefit</b> :
	> The surgical <b>procedure</b> must be performed or <b>treatment</b> must commence within 31 days from when <b>you</b> leave <b>Ireland</b> ;
	You must have been referred for the surgical procedure abroad by a participating consultant in Ireland or through the International Second Opinion Service benefit, if applicable;
	The surgical procedure must be performed before your pre-authorisation expires. Your pre-authorisation will end either six months from when it is granted, or if you change your plan and reduce your level of cover, or if you cease to be a member of Irish Life Health, whichever is sooner;
	> The surgical <b>procedure</b> must be <b>medically necessary</b> and <b>our medical advisers</b> must agree that the surgical <b>procedure</b> will result in a reasonable medical prognosis;
	> The proposed surgical procedure you require abroad must be related to and have the same objective as a procedure or treatment that you are covered for in Ireland;
	The surgical procedure or, where the surgical procedure is not available in Ireland, the most similar surgical procedure available in Ireland, must not be controlled by a national register of waiting lists for transplants or other complex procedures; and
	> This <b>benefit</b> is subject to an overall limit per <b>policy year,</b> this amount is listed on <b>your</b> Table of Cover.

The policyholder can make changes to their policy or any of the plans listed on their policy at any time by logging onto the membership area on our website (www.irishlifehealth.ie/secure/ ie/login) or by contacting us (or their broker) directly. Changes can affect the premium that is payable. If a change is made to the policy, we will issue new policy documents to the policyholder as soon as the change is completed. Please be aware that an upgrade waiting period may apply where there is an upgrade in cover (please see section 6 for further details on upgrade waiting periods). Alternatively, you can call or write to us and let us know if you want to nominate a person to act on your behalf for some or all of the above permissions.

#### Renewing your plan

To renew your membership:

- If you pay in monthly installments by direct debit, simply continue to make your direct debit payments. We will automatically renew your policy.

If you wish to amend this, change your bank details, or change your method of payment to an annual payment, please contact your broker directly.

## Cancelling your policy

Your policy or any of the plans listed on your policy may be cancelled before the end of your policy year for one of three reasons:

### 1) You no longer want health insurance with Irish Life Health

The policyholder can choose to cancel the policy or any of the plans listed on the policy at any time. To do this, they just need to call our customer services team or let us know in writing. We will refund any amount due on cancellation to the policyholder. In the case of a policyholder who has passed away, we will issue a refund by cheque to the deceased's estate. If we're asked to remove a member from the policy, we reserve the right to tell them that they are no longer covered, however, please note that it is not our policy to do so. It is the policyholder's responsibility to inform the members on their policy of any changes that affect their cover.

# 2) Premiums are not kept up to date $\,$

We will cancel the policy or any of the plans listed on your policy if you do not pay your premium when it falls due. We will cancel the policy or any of the plans listed on the policy from the date that your premiums were paid up to (the Cancellation Date). We will not pay any claims for goods or services received after the Cancellation Date. We will send you a letter or email giving you 14 days' notice of our intention to cancel. We will send this to the last postal or email address you provided.

#### 3) Incorrect information / fraud

We may cancel the **policy** or any of the **plans** on the **policy** if

- > we are provided with incorrect information about any of the members named on the policy; or
- > if any of the **members** named on **your policy** try to or make a fraudulent **claim**.

# Consequences of cancellation

Once a **plan** is cancelled, the **member** will no longer be covered. We will not pay any **claims** for goods or services received after the Cancellation Date. We will be entitled to recover any **claim** amount paid for **in-patient** care or goods or services received after the Cancellation Date. The Out-patient Benefits, Day-to-day Benefits and Personalised Packages Benefits will be allocated

on a **pro-rata** basis. (**e.g.** where the **GP** visits **benefit** covers a contribution of up to €30 for up to 8 visits and the **plan** is cancelled after 6 months, the number of visits for which the **member** can **claim** will be reduced to 4). The yearly **excess** applicable to those **benefits** will not be reduced on a **pro-rata** basis.

If a fully paid policy or plan is cancelled before the end of the policy year, we will reimburse the policyholder for the cover the member(s) have not received – i.e. from the Cancellation Date until the next renewal date. Please note we will apply a mid-term cancellation charge (you can find more information about this charge in the paragraph below). We will not return the amount of premium for any cover received before the date of cancellation. If we cancel a fully paid policy or plan before the end of the policy year due to the submission of a fraudulent or dishonest claim, we will not refund any of the premium that has already been paid.

## Mid-term cancellation charge

We will apply a mid-term cancellation charge if:

- you choose to cancel your policy or any of the plans listed in your policy before the end of your policy year;
- > we are forced to cancel your policy or any of the plans listed in your policy due to non-payment of premium, because you or any of the members on the policy try to claim when you're/they're not entitled to or because you have provided us with incorrect information.

The mid-term cancellation charge is made up as follows:

- > An administration fee of €25:
- > The portion of the government levy which has not yet been paid by you. The government levy is a stamp duty which is payable on health insurance plans. A full explanation of the government levy is contained in the Definitions section of this Membership Handbook.

We reserve the right to deduct the amount for the mid-term cancellation charge against any amount due to be refunded. In all other cases we will send you an invoice in respect of the mid-term cancellation charge. A mid-term cancellation charge also applies to policies paid by direct debit.

#### **Cooling Off**

You can cancel your policy free of charge within 14 working days from the date the policy was entered into or from the date you are given the policy documentation, whichever is the later. This is known as the cooling off period. We'll give you a full refund of premium unless you or any member has made a claim during this period. If a claim has been made and you wish to cancel your policy from the start date, the cost of any out-patient claim will be deducted from the refund due and you will be liable for any charge relating to in-patient care. Should you wish to cancel your policy with effect from a date later than the start date, we will charge you for providing health insurance cover up to the date of cancellation and we will apply a mid-term cancellation charge in this case.

#### Paving your premiums

All premiums must be paid in euro. **We** have a number of payment options which are outlined below.

You can pay your premium monthly by direct debit or annually, in full, by debit or credit card only. We do not accept payment by cheque.

If you have chosen to pay by direct debit, we will collect your premium on a monthly basis and it's up to you to make sure your monthly payments are available for collection. The first payment in any policy year may be more or less than your monthly premium if your policy start date is different to your chosen direct debit collection date. This may also occur if you decide to change your direct debit collection date mid policy year.

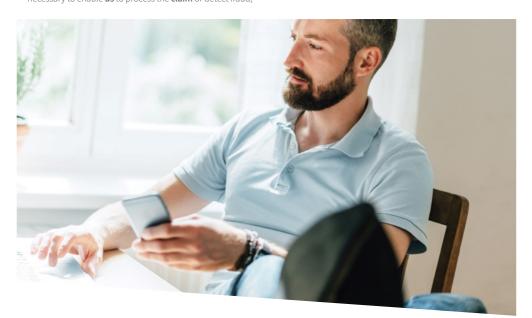

Where your premium is collected by your broker, your monthly direct debit will automatically roll over at your next renewal date. If you wish to change your bank details or change to an annual payment, please contact your broker directly.

We will not contribute towards the costs of pursuing such a claim or legal action;
- > Where you (or any other person for whom you are seeking health insurance) hold any form of health insurance with another company you must let us know at the inception of your policy. You must provide your medical facility and health care providers with any consents which they require to allow them to release such information to Irish Life Health and our agents. We will not pay your claim where we are unable to gain access to any information which we believe is necessary to enable us to process the claim or detect fraud:

- We carry out Clinical Audits to understand the appropriate use of resources, the resulting outcome and quality of life for patients. Depending on the claim type we may request information from your GP, consultant, hospital or other medical provider regarding any treatment provided to you or other members of the policy for the purpose of a clinical audit. Data minimisation is practiced at every stage of the Audit and we will only request the medical information directly related to claim or treatment;
- If any provision of this Membership Handbook is found by any court or administrative body of competent jurisdiction to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect the other provisions of this Membership Handbook and all provisions not affected by such invalidity or unenforceability shall remain in full force and effect.
- In the event that Irish Life Health disagrees with the classification of a member as a public or a private patient by a medical facility or a health care provider, our decision shall prevail and be final.
- > Any dispute between **you** and **us** (about **our** liability over a **claim** or the amount to be paid, where the amount of the **claim** is €5,000 or more) must be referred (within 12 months of the dispute arising) to an arbitrator appointed jointly by **you** and **us**. If **we** cannot agree on an arbitrator, the President of the Law Society of Ireland will decide on the arbitrator and the decision of that arbitrator will be final. **We** may not refer the dispute to arbitration without **your** consent where the amount of the **claim** is less than €5,000. If **you** do not refer such a dispute to arbitration within 12 months, **we** will treat the **claim** as abandoned.

# 6 Waiting periods

#### Waiting periods

A waiting period is the amount of time that must pass before **you** will be covered under **your plan** or before **you** will be covered to the level of cover available under **your plan**. - > Initial waiting periods
- > Pre-existing condition waiting periods
- > Upgrade waiting periods

# Initial waiting periods

Initial waiting periods apply when **you** take out health insurance for the first time or when **you** take out health insurance after **your** health insurance has lapsed for more than 13 weeks. **You** will not be covered during **your** initial waiting period.

## Upgrade waiting periods

An upgrade waiting period will apply when **you** upgrade **your** cover (**i.e. you** purchase a **plan** with more comprehensive cover than **your** previous **plan**).

This may happen if you change your plan with us or when coming to Irish Life Health from another health insurer. We will apply an upgrade waiting period to claims where your treatment relates to a pre-existing condition. Where an upgrade waiting period applies, we will cover you up to the level that was available under the benefit that you are claiming of your previous plan. Where the benefit you are claiming was not available on your previous plan, you will not be covered.

A **pre-existing condition** is any ailment, illness or condition that, on the basis of medical advice, the signs or symptoms of which existed at any time in the period of six months ending on the day on which

- > you took out health insurance for the first time
- > or you took out health insurance after your health insurance had lapsed for more than 13 weeks.
- > or you upgraded your cover to a higher level plan

In these circumstances, you will be covered up to the level of cover that was available on the plan that you previously held before upgrading your cover. Please see the Upgrade Waiting Period table below for the details of upgrade waiting periods by benefit type. Our medical advisers will determine when your ailment, illness or condition commenced. Their decision is final.

The table below sets out the upgrade waiting periods applied by Irish Life Health. These waiting periods will apply from the date you upgraded.

# **7 Fraud Policy**

We operate a fraud policy in respect of all claims made by you or on your behalf. We do regular audits of all claims across Irish Life Health policies held by you as you may not gain financially from a contract of insurance. In all instances where fraud is suspected, we will carry out a full and comprehensive investigation. If a claim submitted by you or on your behalf is found to be fraudulent or dishonest in any way, the claim will be declined in its entirety, benefits under the policy will be forfeited and the policy and/or any plans listed on the policy may be cancelled and we may refuse any new policies for you. We reserve the right to refer the matter and details of the fraudulent claim to the appropriate authorities for prosecution.

# 8 Group Schemes

If your plan was started as part of a group scheme arrangement and the group scheme sponsor is acting on your behalf, you agree that the group scheme sponsor will have the following powers and responsibilities for the policy:

- > The group scheme sponsor may instruct us to start and cancel the policy;
- > The group scheme sponsor may instruct us to change your plan or level of cover;
- > The **group scheme sponsor** may instruct **us** to add or reduce the number of **members** on the **policy**;
- > The group scheme sponsor may amend or cancel any or all of the plans listed under the policy;
- > The group scheme sponsor must ensure that all premiums are paid on time as unpaid premiums may impact whether claims are paid;
- > The group scheme sponsor must ensure that all adequate consents from members are obtained prior to the policy entering into force, including consents from members for the processing of their personal data.

Members who are part of a group scheme arrangement may require the permission of the group scheme sponsor to amend their cover. In such circumstances, the members may be required to pay additional premium for such amended cover. If you join a group scheme after the scheme start or renewal date, your benefit entitlement may be adjusted on a pro-rata basis.

If your policy was arranged through a group scheme sponsor, your cover will continue as long as you fulfil the conditions for participation in the group scheme and the group scheme sponsor continues to pay your premium.

# 9 Premium Changes

We may change the premium payable for our plans from time to time. These changes will not affect you until your next renewal date unless you change your plan during your policy year. Please note that we deduct your tax relief from your premium so you don't have to claim it back from the Revenue Commissioners. The level of tax relief is set by the Government and may be changed at any time which is outside our control. We are legally obliged to apply tax changes immediately and this may result in a change to the amount that you are required to pay to us for the plans listed in your policy.
